EXECUTIVE LEADERSHIP

Expertise in leading teams to drive dramatic and profitable growth via value creation

Results-driven leader experienced in leading value-add organizations to create, communicate, and capture value in the marketplace. Process reengineering, team restructuring, turnarounds. Excellent communication, presentation, and leadership skills. Accomplishments include:

- M&A: Led all phases of acquisition & merger for \$3B Fortune 500 Company. Ran acquired company as a stand-alone operation; then integrated functional areas. Achieved 98% *increase* in EBITDA in first 14-months, doubling book value. Sustained 20% sales and earnings growth next two years in segmented company's P/L after full integration.
- Utilize experience gained while serving on senior management team of renowned turn-around specialist Greg Brenneman (COO Continental Airlines, CEO Price-Waterhouse, CEO Burger King, current Chairman JP Morgan Chase's private equity arm CCMP Capital) in providing executive consulting. Keen focus on implementing Greg's strategies for improving financial plan, people plan, marketing plan, and product plan.
- As SVP of Development for \$2B Quiznos (QSR Magazine's "*Best new management team of 2007*"), reengineered business processes and restructured teams to cut new restaurant development time in half, driving *additional* \$7M EBITDA over plan.
- Led North American sales force for largest operating group of \$3B Fortune 500 specialty chemical company; full P/L responsibility for team consisting of three Regional Managers, 24 District Sales Managers, sales force of 300 reps; achieved 32% EBITDA. Grew faster than our top three competitors in each year – widened the gap.
- Entrepreneurship: experience includes five years as a full-time distributor, owned my own company for four years, served as President of six start-up companies, various levels of shared ownership in these ventures. "*Help enough others get what they want ...*"

Education, Professional and/or Community Activity (Present)

Former Sargeant U.S.M.C., Associate Degree in Management, Former Vice Commandant Marine Corps League of Victoria Texas, Chairman Toys for Tots of Victoria Texas for 3 consecutive years, Local representative for Helping Hands for 2 years. I have been involved in numerous church and veteran organization community service activity. 39 years continuous insurance licensing in Texas concurrent with construction and heavy equipment contracting. I have retired from the construction and heavy equipment business, but continue to buy and remodel investment properties between selected catastrophe adjusting assignments.

Why are you interested in serving on a City board, commission or committee?

Community improvement. The marina and waterfront of Corpus Christi is one of the most central and popular sites and experiences of nearly all of the visitors to our city; an extremely popular area for local activity, the site of most of all of our health and fitness activities, a central area for cultural and patriotic activities, and this area is pivotal to the future economic development of our beautiful city. Maintaining a boat in the Marina for the past 5 years has provided considerable insight into the importance of this facility to our city's present and future as it has been in our past.

Boating/Marina Experience:

I am currently the owner of a 34' sailing catamaran, a Gemini 105MC, being kept at slip H-24 in the Corpus Christi City Marina.

I grew up in the region and some of my earliest memories are of the area waterways and the barrier islands on which we camped and fished.

As an adult my experience in utilizing and visiting marinas has spanned decades in time and from the Southern Caribbean, the U.S. Gulf Coast, and several Pacific and China Sea marinas and dock facilities.

My nautical experience has spanned vessels from owned canoes, kayaks, dinghies, flat bottomed john boats, cruising sail boats and naval vessels served upon including several LPDs and the LPH USS Guam.

I have assessed damage to docks, bulkheads, piers, pilings, waterside facilities, floating craft for insurance risk and for causes of loss and repair costs in both freshwater and saltwater environments as part of my profession.

My industrial, agricultural and commercial construction/equipment background includes considerable dredging experience of impoundments and canals.

I have lived aboard my boat during coastal cruising and limited blue water cruising as well as 3 years living aboard at the Corpus Christi City Marina with my current vessel prior to the purchase of my home.

My profession in investigating large, middle market, and global size losses is the experience in identifying, selecting, and working with the types and qualifications of experts and consultants needed to properly assess damage and determine standard market costs for damages with mixed causes of loss in complex and multi-location insurance claims.

COMMUNITY SERVICE HISTORY:

1989 -1997: regular volunteer work at Christ's Kitchen, Victoria, Texas, assisting in meal preparations, serving line, and clean-up.

1995: Volunteer work with Helping Hands, a medical missionary activity through 1st Baptist Church of Center, TX., obtaining, packing and shipping medical supplies, used medical equipment, and food to the Ukraine following the collapse of the Soviet Union. Supplies included two complete dental units with dental x-ray and dental prosthetics laboratory, ultrasounds, x-ray equipment, hospital beds, 26 dialysis units with two water purification systems, 25,000 lbs of rice, plumbing supplies to build a 25 bed orphanage and more. My activities were documented in a Sunday special feature of the Victoria Advocate, Victoria, Texas.

1992 – 1994: Member of the Victoria Tx Veterans' Council as a representative of the local Marine Corps League during a time frame when our local Veterans' Council successfully lobbied Congress for funds to open an outpatient clinic in Victoria, Texas.

1991- 1993: Managed the local Toys for Tots program for the Marine Corps League as there was no local contingent of active Marines. During this time we developed resources to include families recommended by the local HUD offices, Victoria Police Department, and the local Texas Children's Protective Services. This activity put the local Marine Recruiters and me on the cover of the local Victoria Texas Business Magazine.

Active current and past member of the Marine Corps League and American Legion.

Previous Vice Commandant of the Victoria Chapter of the Marine Corps League.

RELEVANT WORK EXPERIENCE:

- 60 years of self-employment:
- 39 years continuous insurance licensing (since 1985) as P&C Agent, Life & Health Agent, Adjuster, and Examiner. 28 years catastrophe experience adjusting and examining physical damage, business interruption and liability claims. That experience includes residential & commercial to global size losses, periodic Marine, Inland Marine, Lloyds Commercial, Lloyds Marine, Cargo, CGL, , Inland Marine (Heavy Equipment), Construction Defect, and specialty program adjusting/examining for government, institutions, industrial, warehousing, marinas, boat yards, harbor facilities, restaurants, larger multi-residential facilities, and golf courses.
- Former Agent/Owner of a multi-location insurance agency from Corpus Christi, Texas to Denison, Texas - 1987 to 2010. The time as an independent agent and adjuster was and is concurrent with heavy

equipment ranch contracting and dredging, the purchase and upgrading of residential single and multi-family properties.

- 30+ years Construction Contracting (much was concurrent with insurance experience) in Commercial, Residential, Industrial, Petro-Chem, Shipyard Pipe Fitter, Underground Utility, Dredging/Excavation, Site preparation, & operated a small fleet of dump-trucks. I retired from this business and closed the heavy equipment, dredging and ranch contracting in 2012. That operation had contracted exclusively with a major South Texas ranching family's multiple sizeable ranches for the 12 years prior to my retirement from that enterprise. The ranch lake excavation and dredging operations, used 60 ton, owned, stick cranes. Equipment contracting activity was scheduled during adjusting off-seasons between major catastrophes. I have maintained an awareness of advances in dredging that include new pump cutter heads to minimize turbidity (spread of contaminants and mud) to the improvements in accuracy of the dredging operations through the use of GPS and RTK technologies, as well as many of the advances in transporting and dewatering of dredged slurry.

EDUCATION, EXPERIENCE & COMPUTER SKILLS:

- Associate Degree in Business Management, Victoria College, Victoria, Tx. with an additional year at University of Houston at Victoria, Tx; (consistently made the Dean's List) classes included programming courses and specific courses in Excell and other database programs
- XACTIMATE and XACTANALYSIS construction estimatics software use and experience since 1998 in both contracting and adjusting contexts through to the current X-1 version.
- Other Relevant Software Skills: Two + years IntegriClaim; Word; Excell; Various Claims Management; Lead Tracking; Construction Reporting, CAD, and Project Management Software
- U.S.M.C. 1966-1972: Honorably discharged as a Sargeant; duties included General Military Subjects Instructor, Sea Duty, Nuclear, Biological, and Chemical specialist with secondary assignments as Operations NCO and barracks sergeant.
- Former Owner, operator & mechanic of two 60-ton Northwest 6D cranes rigged as dredging draglines and one mini-dragline Northwest 25D, a 25-ton crane, as well as various tracked and rubber tire construction/excavation equipment and several dump trucks.

Past 14 Years Contract Executive Staffing, Adjusting, & Consulting Assignment Experience:
