WHEREAS Contractor has proposed to provide **Child Obesity Program & Support**;

WHEREAS the City has determined Contractor to be the sole source provider;

NOW, THEREFORE, Contractor and City enter into this Agreement and agree as follows:

1. **Services.** Contractor will provide **Child Obesity Program & Support** by means of provision of the MEND 7-13 and MEND 2-5 Curriculum (together, covering children ages 2-13) and corresponding requisite training and support, in accordance with the Price Sheet which is incorporated herein and attached as Exhibit A, the Insurance Requirements which are incorporated herein and attached as Exhibit B, Additional Terms & Conditions which is incorporated herein as Exhibit C and Description of Budget Items which is incorporated herein as Exhibit D.

Contractor will provide a written Program Report within 30 days of written notice to Contractor that all program data has been entered into the OMMS system by the City or relevant subcontractors. Contractor will provide a written Portfolio Report consolidating and summarizing all MEND programs completed every six months, every twelve months and at the end of the three-year project provided all data has been entered by the City or relevant subcontractors. Each such Portfolio Report will cover the period to which it applies and not be cumulative of other such period, except that each twelve-month report will summarize each individual contract year and the three-year project summary report will summarize the entire three years of the project. Each Portfolio Report is due within 30 days of written notice to Contractor that all program data for each six-month, twelve-month and three-year periods, respectively, has been entered into the OMMS system by the City or relevant subcontractors.

2. **Term.** This Agreement is for three (3) years commencing on the date signed by the last signatory hereto.

3. **Contract Administrator.** The Contract Administrator designated by the City is responsible for approval of all phases of performance and operations under this Agreement including deductions for non-performance and authorizations for payment. All of the Contractor's notices or communications regarding this Agreement must be directed to the Contract Administrator, who is the **Health Department Director**.

4. **Independent Contractor.** Contractor will perform the services hereunder as an independent contractor and will furnish such services in its own manner and method, and under no circumstances or conditions may any agent, servant or employee of the Contractor be considered an employee of the City.

5. Insurance. Before activities can begin under this Agreement, the Contractor's insurance company(ies) must deliver, to the Contract Administrator, a Certificate of Insurance, as proof of the required insurance coverage. Additionally, the Certificate must state that the **Health Department Director** will be given at least thirty (30) days' notice, by certified mail, of cancellation, material change in the coverages or intent not to renew any of the policies. The City must be named as an Additional Insured. The City Attorney must be given copies of all insurance policies within 15 days of the City Manager's written request.

6. Assignment. No assignment of this Agreement or any right or interest therein by the Contractor is effective unless the City first gives its written consent to such assignment. The performance of this Agreement by the Contractor is of the essence of this Agreement and the City's right to withhold consent to such assignment is within the sole discretion of the City on any ground whatsoever.

7. Fiscal Year. All parties recognize that the continuation of any contract after the close of any fiscal year of the City (the City's fiscal year ends on July 31st), is subject to appropriations and budget approval providing for covering such contract item as an expenditure in said budget. The City does not represent that said budget item will be actually adopted as that determination is within the sole discretion of the City Council at the time of adoption of each budget.

8. Waiver. No waiver of any breach of any term or condition of this Agreement waives any subsequent breach of the same.

9. Compliance with Laws. This Agreement is subject to all applicable federal, state and local laws. The applicable law for any legal disputes arising out of this Agreement is the law of Texas and such form and venue for such disputes is the appropriate district, county or justice court in and for Nueces County, Texas.

10. Subcontractors. The Contractor may use subcontractors in connection with the work performed under this Agreement. When using subcontractors, however, the Contractor must obtain prior written approval from the **Health Department Director**. In using subcontractors, the Contractor is responsible for all their acts and omissions to the same extent as if the subcontractor and its employees were employees of the Contractor. All requirements set forth as part of this Agreement are applicable to all subcontractors and their employees to the same extent as if the Contractor and its employees had performed the services.

11. Amendments. This Agreement may be amended only by written Agreement duly authorized by the parties hereto and signed by the parties.

12. Termination. The City Manager may terminate this Agreement for Contractor's failure to perform the services specified herein. Failure to keep all insurance policies and performance bonds in force for the entire term of this Agreement is grounds for termination. The Contract Administrator must give the Contractor written notice of the breach and set out a reasonable opportunity to cure to be defined as thirty (30) days from the date of the receipt by Contractor of written notice. If the Contractor has not cured within the cure period, the City Manager may terminate this Agreement immediately thereafter.

Alternatively, the City may terminate this Agreement upon twenty (20) days' written notice to the Contractor. However, the City may terminate this Agreement on twenty-four (24) hours' written notice to the Contractor for failure to pay or provide proof of payment of taxes as set out herein. The Contractor may terminate this Agreement upon ninety (90) days' written notice to the City.

13. Taxes. The Contractor covenants to pay payroll taxes, Medicare taxes, FICA taxes, unemployment taxes and all other related taxes according to Circular E Employer's Tax Guide, Publication 15, as it may be amended.
