

**Resolution authorizing the City Manager, or designee, to purchase a Digital Information Management System Server and storage upgrade from Linear Systems, of Rancho Cucamonga, California, for a total cost of \$50,164. The final cost includes a \$10,000 trade in credit for the existing outdated hardware. Funds are being used by Police Grant Fund 1061 for the fiscal year 2016.**

**WHEREAS**, the City purchased a digital information management system from Linear Systems, in 2007;

**WHEREAS**, the current hardware can no longer support the storage capacity required and continuing hardware maintenance is limited, therefore, necessitating an upgrade of the system;

**WHEREAS**, the new hardware will also require a storage upgrade;

**WHEREAS**, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exception applies; and

**WHEREAS**, there are two statutory exceptions for this procurement in Local Government Code, Sections 252.022(a)(2) and (a)(7)(D), as this purchase is to preserve and protect the public safety of the residents and also is available from only one source due to copyrights as an upgrade of the current system.

**Be it resolved by the City Council of the City of Corpus Christi, Texas:**

**Section 1.** The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

**Section 2.** The City Manager, or his designee, is authorized to purchase a digital information management system server and storage upgrade from Linear Systems, of Rancho Cucamonga, California, for a total cost of \$50,164, which includes a \$10,000 trade-in credit for the existing outdated hardware, such purchase to be paid for with funds from the No. 1061 Police Grant Fund for FY2015-2016.
