**Why are you interested in serving on a City board, commission or committee?**

It is an opportunity to serve the community that I care about greatly and use my experience to support their mission of growing the Convention and Tourist related businesses and industries. I see so much potential for our City and surrounding areas to continue to grow as a unique and special destination. Additionally, I was asked to serve the City by serving on CC Airport Board during which time we planned, designed, funded, and built the current "new" airport facility. It was there that I learned to work as team with the City, Board, Airport Management, and Federal and Political Officials to bring the project to our city. It was also during this time we were able to demonstrate that the then current control tower had to be replaced with a new control tower to be located in a safe location that would allow for future expansion to meet the needs of personal, business and tourism travel. I see this experience of learning to work together on these projects and my broad business experience in Corpus Christi as depth and experience that I can bring to the Corpus Christi Convention and Visitors Bureau. Lastly, I see this as an area that I can work with others to truly make a difference that will make our Citizens past and present proud of their City and Hometown.

This was a very last minute shoot that I couldn't refuse. When else can I invite Roger Creager to visit our family's barbeque place AND get to photograph him with his dad? I said yes immediately! We photographed Roger and his dad enjoying an ice cold beer and having a good ol' time. Then we got a few posed and natural / candid shots of the two of them against some 200 year old doors and a 60 year old hut with the Texas flag painted on the side.

I had the pleasure of coming up with a session with one of my brides to help tie in The One's issue theme, "A Pop of Color". I wanted to literally bring that pop to the cover by including brightly colored, 24" balloons. Natural makeup was provided by Kayla Alvarez and hair was done by Shear Illusions.
