Education, Professional and/or Community Activity (Present)

Graduated from Christopher Newport University in Virginia as a double major History and Philosophy with a minor in American Studies. Previously graduated High School from Richard King HS, Baker Middle School, Windsor Park, and Robert Wilson before that. I am as active in the community as I can be, especially in Downtown. Business I own or am a partner include The Exchange, Harrison's Landing, Full Send BBQ, Texas Tease, and various other real estate and start up investments. I am also a founding member of the band Triptonite, winner of 2023 Best Local Band.

Why are you interested in serving on a City board, commission or committee?

I've dedicated my life and career to this community like the two generations before me. I believe I can really help this community, especially Downtown, continue to thrive. Furthermore, I think Downtown can learn from much of the rest of the Coastal Bend and vice versa. The more we communicate the vibrant, blossoming, exciting nature of the current state of the Coastal Bend, the more visitors and the more growth we'll all see.
