Describe Feedback:	Snowie has been operating on the seawall since 2000. We pay all permits/insurances in full yearly as required. Historically 18 years we paid the Marina our fees. For the past two years we've paid to Parks and Recreation and issued permit listed location as Seawall #1 in 6 month terms as they will only accept 6 month terms. Been told we are grandfathered at the location. Operations as normal until receiving

email evening of 4/1 advising we were no longer to set up operations on the sidewalk but would have to move to the street. Was advised the change in city management "they don't want the sidewalk blocked". In 21 years we have never had a complaint from anyone being on the sidewalk passers by on surrey's, pedestrians passing by. We are a destination for many visitors and hear daily "Oh I'm so glad your still here". Daily we answer numerous visitor questions, give directions, and provide a memorable stop to downtown. This is our livelihood and request to return our original location.
