

CORPUS CHRISTI REGIONAL ECONOMIC DEVELOPMENT CORPORATION

BOARD DETAILS

OVERVIEW

SIZE 18 Seats

TERM LENGTH 3 Years

TERM LIMIT 6 Years

The Corpus Christi Regional Economic Development Corporation performs as an advisory board to the City Council and investigates and recommends to the Council such projects as in its opinion would be advantageous to the future growth of the City and to assist the City in the establishment and location of industries.

DETAILS

COMPOSITION

Eighteen (18) Directors, of which six (6) are designated by the City of Corpus Christi to represent the public sector; one of which shall be the Mayor of the City of Corpus Christi and another a Council member appointed by the Mayor. The remainder of the Board shall be comprised of not more than eight (8) Directors to represent the private sector elected by the Corporation's membership in accordance with its bylaws. Representing the public sector, two (2) shall be appointed by the Port of Corpus Christi Authority, and up to two (2) designated by any other governmental entities that each contribute at least \$50,000 annually to the Corporation. The Board may also consist of such additional, non-voting, ex-officio Directors as determined by resolution. The directors shall serve not more than two, consecutive, three-year terms as provided in the Corporation's bylaws; provided that the term of office of any director who is a public official shall coincide with his or her term of public office.

CREATION / AUTHORITY

Corporation established under 501(c) (6) of the Internal Revenue Code and its regulations. M2000-31, 1/25/00; M2000-53, 2/22/00; M2004-382, 10/12/04. Amended Bylaws July 2010.

MEETS

2nd Thursday of every month at 7:30 a.m., Omni Hotel.

TERM DETAILS

Three-year staggered terms.

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

Coordinated downed aircraft and casualty recovery in a combat environment; Provided aviation support for International Election Monitors, El Salvador National Reconciliation Elections 1991; Set up and maintained a remote communications relay network supporting aviation operations in a tropical mountainous region of Central America; Provided helicopter transport for medical teams on medical assistance missions to remote indigenous tribes of Honduras; Provided aviation support to US Embassies El Salvador and Honduras

Financial advisor with a global investment firm.

SKILLS SUMMARY:

Excellent communications, written & verbal
Multi level employee supervision experience
Strategic planning and policy formulation
Preparation and presentation of formal briefings
Information analysis and reporting
Project development and oversight
Budgeting

Financial planning and analysis

Training and Teaching
Computer and Internet savvy
Marketing and sales
P & L analysis

EXPERIENCE:

May 2009 – Present Registered Principle/Owner – Freedom Investment Counsel LLC

Established my own independent financial advisory practice to continue performing duties and responsibilities similar to those performed while employed in the financial services industry described below.

Apr 1997- May 2009 Financial Advisor & Investment Management Consultant
UBS PaineWebber, Corpus Christi, TX

Developed new client relationships. Serviced clients in the areas of personal financial plans, employer sponsored retirement plans, securities and insurance sales. Supervised customer service and support staff. Achieved advanced professional designation as an Investment Management Consultant. Developed and maintained a personal business plan. Managed investment strategies in over 200 client relationships working to educate and assist clients in the investment decision making process. Daily activities include financial planning, investment performance analysis, marketing plan implementation, substantial client contact and frequent coordination with outside vendors or product managers. Assisted with new employee selection and training. Grew capital responsibility and personal production for six consecutive years. Current capital responsibility \$30,000,000+. Trailing 12 month production \$215,000. Awarded special corporate recognition in 1998 for qualifying in the top 10% of peer group for new accounts and new assets under management.

Nov 1995-Apr 1997 Account Executive, Dean Witter, Corpus Christi, TX

New client development, securities sales and marketing. (See above)

Jul 1994-Jan 1997 Air Carrier Pilot, Part 135 Operations, Aero Pak, San Antonio, TX

Pilot for an overnight air freight operator.

Aug 1991-Jul 1994 Aviation Division Chief, Fifth U.S. Army, Ft. Sam Houston, TX

Supervised a 5-person management evaluation team validating aviation organization's training, safety, standardization and maintenance programs in an eight-state area. Inspected compliance with established regulations and policies. Insured internal controls and budget expenditure reporting procedures. Participated in formulation of policy and operational plans. Provided oversight and inspection

Jan 1991-Aug 1991 Executive Officer, 4th BN 228th Aviation Regt., Soto Cano AB, Honduras

Supervised a management team responsible for aviation operations in 5 Central American countries with 30 helicopters and 300 employees. Developed a goal oriented aviation maintenance management program, improving aircraft availability rates by over 10% allowing increased operating tempo. Developed and implemented organizational structure changes to enhance aviation support in Central America.

Jan 1990-Jan 1991 Aviation Operations Officer, U.S. Army South, Ft. Clayton, Panama

Provided staff oversight and support of aviation operations for a major military headquarters during and after Operation Just Cause. Organized and conducted frequent formal decision briefings and informative presentations for senior executive leadership and high level political and government leaders. Selected principal escort officer for Secretary of the Army and U.S. Army Chief of Staff on two separate command visits. Utilized persuasive skills in the corporate decision process.

Feb 1986-Jan 1990 Inspector General, Headquarters USAG, Ft. Sam Houston, TX

Personal advisor to the chief executive officer of a major military installation. Responsible for formulation and interpretation of policies and regulations. Established a systematic inspection program to insure compliance with prescribed operating procedures. Received, evaluated and recommended action on special issues raised by employees and customers. Identified, analyzed and developed solutions for systemic problems related to the efficient management of a major military community with an annual budget in excess of \$20 million. Supervised 5 staff specialists.

Computer skills and other Qualifications:

Microsoft Office Suite	NASD Series 7	Series 65
Windows NT	Series 63	Series 31
MS Word	ACT Contact Management data base	Investment Management Consultant
MS Excel	MS PowerPoint	Internet savvy
Group one life & annuity insurance license		

Education:

Graduated Calallen Highschool 1969, BS in Political Science & History ED, Texas A & I University, Distinguished Military Graduate; Army Command and General Staff College (graduate level). Investment Management Consultant program UBS PaineWebber.

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I term off the ISAC on March 6th.

Education, Professional and/or Community Activity (Present)

M.S., Civil Engineering, Soil Mechanics, University of London, 1971 Imperial College of Science and Technology, London, England, Diploma of Membership, 1971 B.S., Civil Engineering, Texas A&M University-College Station, Bachelor, 1970 Professional Engineer: Texas, 1974, No. #37019 I'm on the Chamber's Governmental Affairs Committee and their Infrastructure Committee.

Why are you interested in serving on a City board, commission or committee?

I have enjoyed serving on the ISAC. I've always been interested in the EDC. In my business I basically did the same thing the EDC does in finding and selling prospects. If I still had my company, I'd be a member. When I returned to CC full time, I had lunch with Roland and was interested in working or partnering with him in some fashion. He was so impressed he never sent me an application!

WILLIAM FRANK GOLDSTON, P.E.

William Frank Goldston, PE (Texas)

Education

M.S. Civil Engineering, Soil Mechanics, University of London, 1971

Imperial College of Science and Technology, London, England, Diploma of Membership, 1971

B.S. Civil Engineering, Texas A&M University-College Station, Bachelor, 1970

Professional Registrations

Professional Engineer: Texas, 1974, No. #37019

Relevant Experience

Mr. Goldston has 42 years professional experience in engineering and construction. His project experience includes:

- × Ports and Harbors: Docks, wharves, bulkheads, seawalls, jetties, channels, dredging, levees, shoreline stabilization;
- × Transportation: Roads, highways, bridges, railroads, pipelines;
- × Municipal Infrastructure: Water distribution, sewer collection and treatment, roads, subdivisions;
- × Buildings: Office, warehouse, banks, apartments; and
- × Industrial projects: Petrochemical units and plants.

Representative Projects

Ports & Harbors

Owner's Engineer, Douglas Channel Energy Partnership LNG Export Terminal, Kitimat, BC, Canada. Currently "Owner's Engineer" administering and coordinating the engineering and construction of the marine terminal and civil site work portions of this terminal and all geotechnical investigations.

Project Sponsor, Container Berth 5 and Backlands Paving, Port of Freeport, Freeport, Texas.

Design and Construction administration of a 500 ft. container berth extension for the Port of Freeport, Freeport, Texas. The berth extension was designed to accommodate ships of the 40,000-dwt class. Project elements included geotechnical investigations, berth design, steel bulkhead and articulated block revetments, pavement design, surface drainage and storm water management, and permitting.

Project Sponsor, Berth 7, Port of Freeport, Freeport, TX. Project included a new container yard facility for Berth 7 and Berth 8, a total of 2,400 LF of marginal wharf and 83.1 acres of backlands including paving, grading, storm water, water and sewer, and DMPA analyses.

Project Sponsor, Wharf 47-48, Port of Houston Authority, Houston, TX. Provided oversight in the design of the rehabilitation of Port of Houston Wharf 47-48.

WILLIAM FRANK GOLDSTON, P.E.

Project Sponsor, Port of Texas City Docks 14-16, 19-22 and 50-58, Texas City, TX. These were older facilities, which replaced or renovated as part of a multi-year modernization program. Several of the projects included analysis of shoreline erosion and the design of articulated block revetments. Permits were obtained for all projects.

Project Sponsor, Terminal 6 Addition, Port of Houston Authority, Houston, TX. Project elements included geotechnical investigations, pavement design, surface drainage and stormwater management, water utilities, lighting and security.

Project Sponsor, USA Marine Liquid Cargo Dock (A-5), DOW Chemical Company, Freeport, TX. Provided design and construction administration for the A-5 liquid cargo dock. The T-head dock accommodates both parcel tankers and offshore and inland barges and includes two nested barge docks behind the T-head. This project has one of the largest hose towers and the most flexible product handling systems in the world.

Project Sponsor, Bay Dock West, Corpus Christi, TX. Design of a 1,000 ft wharf for handling dry bulk and heavy project cargoes. This innovative design accommodates post-panamax ore carriers and incorporates a steel sheet pile bulkhead in the face of the wharf. The sheet piles were driven before the slip was dredged.

Project Sponsor, Master Plan, Port of Brownsville, Brownsville, TX. This project included an evaluation of the condition of all existing facilities as well as the development of a long-term facility use plan based on current and future needs. This planning project was largely driven by the influence of NAFTA.

Project Sponsor, PCCA Cargo Dock 15, 15-Acre Container Terminal, Port of Corpus Christi Authority. The project included the planning and design of facility operations, heavy pavements, grading, utilities, hazardous materials, storage facility, stormwater outfall, and life cycle cost analysis.

Project Sponsor, Marine LNG Terminal for the FEED, Occidental Chemical, Ingleside, TX. This single berth terminal includes the planning for dock and mooring and berthing structures, dredging, and shoreline stabilization.

Project Sponsor, Panama Canal Unloading Dock, Panama Canal Commission, Panama. This dock was used for unloading locomotives, ballast, ties and rails. GEI was hired to investigate this dock when construction was 95% complete. Our analysis was that the structures would handle 15% of the design berthing energy. We performed a fast-track inspection, analysis, materials search and retrofit design and supervised the construction.

Principal-in-Charge, Marine Liquid Bulk Terminal, Houston Lighting and Power Company, Houston, TX. GEI performed the conceptual planning and feasibility study for a marine liquid bulk terminal located on land located on Barnes Island, at the Sam Bertron Power Plant of the Houston Lighting and Power Company. The project included field surveys, planning for multiple berths for ships and barges, overall site development (dredging, fill, grading, and drainage), rail and truck access and loading stations, tankage, piping, electrical service, and security. Multiple alternatives were evaluated and costs estimated for comparative purposes. A unique feature of this project site involved the attempt to build and operate a marine terminal around an operating power plant.

WILLIAM FRANK GOLDSTON, P.E.

Dredging

Principal-in-Charge, Bay of Bohai, China. GEI performed a conceptual study and developed conceptual estimates for this client on a project involving four new docks for chemical parcel tankers and one dock for container freight. This project included developing a 27 km ship channel and a turning basin in the harbor. Navigation issues, dredging, disposal and dredge material management were studied. The dredge material was planned to be rapidly consolidated to construct 10 acres of new plant site over a tidal flat. Dredge maintenance was investigated and included estimates of sediments due to littoral drift. Costs for structures, dredging and land reclamation were estimated. This project also included several unique aspects including a breakwater, a thermal plume analysis, and developing levees utilizing geotubes.

Project Sponsor, A-22 Chemical Dock, Dow Chemical Company, Freeport, Texas. This project included the planning, permitting, design and construction administration of a 12,000 SF combination ship and barge dock and two barge docks behind the T-head structures. A unique feature of this facility involved the clamshell dredging of 170,000 CY of contaminated sediments. GEI designed and detailed a removal method that reduced bid prices of dredging from \$300/CY to \$25/CY. GEI provided a resident engineer on-site throughout construction to assist Dow's project management team with scheduling and procurement, and to facilitate contractor inquiries.

Dredging - Goldston affiliates have owned and operated dredges and William Goldston has both supervised and operated hydraulic dredges. Goldston regularly serves client needs by permitting dredging projects and preparing plans and specifications, and providing construction administration for dredging projects. These projects range geographically from South Padre Island to Tampa, Florida. We have in-house personnel, equipment and insurance necessary for performing hydrographic surveys and preparing CADD assisted dredging plans. Typical projects:

- Dow Chemical USA: Docks A34, A-5, A-8, A-22 – Contaminated Sediment Dredging Phases I and II, and Dredge Area Management Plan;
- Parsons SIP: Shell Coker Dock;
- Port of Freeport: Disposal Area Structures, DAMP;
- Arco Pipeline: Docks 11 and 12;
- Tampa Port Authority: Operations Analysis and Recommendations;
- Warren Petroleum: Dock 1, Docks 2 and 4, DAMP;
- Chevron USA: Barge Slip;
- Cargill Fertilizer: Ship and Barge Dock; and
- McDonough Marine: Barge Maintenance Dock.

Civil – Earthwork/Roads

Principal-in-Charge, College Boulevard Improvements, City of Clute, TX. - This project involved the planning, design and reconstruction of College Boulevard: bridge expansion, paving, grading & drainage, storm water management, and traffic control.

Principal-in-Charge, Port Crossing Development, La Porte, TX. Services included performing hydrologic and hydraulic analysis for 294-acre industrial development in City of La Porte, TX. Deliverables included H&H Analysis that received Harris County Flood Control District approval. Proposed system included two detention storage facilities, integrated conveyance system and outfall into HCFED TSARP receiving body.

WILLIAM FRANK GOLDSTON, P.E.

Project Sponsor, Gateway Project, City of Corpus Christi, Corpus Christi, TX. Engineering design and preparation of plans and specifications for urban roads and utilities.

Project Sponsor, State Highway 77, South of Riviera, TX. Constructed several miles of highway, including two multi-span, box girder bridges.

State Highway 35, underpinning of foundations on Lavaca Bay Causeway. Techniques used reverse circulation drilling of cast in place concrete piers.

Deep Excavations. Designed a deep excavation for the construction of a 22-story telephone company building, San Antonio, Texas. Design included hydrology for dewatering a coarse gravel stratum, a tieback system, including drilled and cast-in-place tiebacks. Building foundations were also designed.

Civil – Water Systems

New Water Distribution System, Corpus Christi, TX. Installation of a new water distribution system in the existing San Juan and San Carlos Subdivisions in northeast Corpus Christi.

Project Manager, Storm Water Project, City of Corpus Christi, TX. Construction of 2 miles of open storm water drainage ditches for the City of Corpus Christi. Project included two four-lane road crossing with box culverts; and two SH77 bridges for TXDOT.

Project Sponsor, Lake Texana to Corpus Christi Water Pipeline, Corpus Christi, TX.
Engineering design of the control building and pump stations for the Lake Texana to Corpus Christi waterline. A 101 mile, 64 inch diameter concrete pressure line.

Project Sponsor, 2MMG Elevated Water Storage Tank, Mustang Island, TX. Foundation design and construction of a 2MMG elevated water storage tank on Mustang Island.

Civil – Sewer Systems

Construction of units in sewage treatment plants at Allison, Corpus Christi and Point Comfort.

Rincon Industrial Subdivision. Design of a sewage collection system, lift station and force main.

Evaluation, design and construction of rehabilitation in-plant storm water collection and sanitary sewage collection systems.

Industrial

Designed and built numerous refining units within existing plants. Built one grass roots 40,000 bbl. plant, turnkey, in nine months.

Commercial

The Bank of Corpus Christi, Corpus Christi, TX. A single story structure built as a design-build project.

The Twin Dolphins Condominiums, Corpus Christi, TX.

No I do not.

Education, Professional and/or Community Activity (Present)

President, Delta Sigma Pi Alumni Chapter Vice President, Business Network International Leadership
Corpus Christi Class 46 Young Business Professionals, Networking Committee

Why are you interested in serving on a City board, commission or committee?

Corpus Christi offers its citizens an array of activities to take part in. As a young professional that studied here, I am as invested in my career as I am in seeing this city's growth come to fruition. I believe I can provide the board with a different outlook on projects because I live, work and play in the downtown area. Through my career and other activities I am constantly traveling throughout different parts of the city. My background in economics and field in finance calls my name to join this board.

EDUCATION

Bachelor of Business Administration and Economics, Texas A&M University Corpus Christi

Armando Mendez

Summary

I have progressively expanded my business knowledge and experience within the federal contracting sector by practicing business administration and logistics management with emphasis in economics and finance encapsulated in a high degree of education, integrity, professional development and ethics.

Responsibilities and Duties

My direct experiences encompass variable responsibilities in the administration, supervision, inventory, supplier, and order management of proprietary procedures and processes within a high paced, team oriented, goal achieving environment. They include, but are not limited to; analysis and forecasting of proprietary deliverables within critical paths and timetables; conduct economic and fiscal monitoring of organizational logistics; research complex statistical data and reporting; assure effective movement management by planning, controlling, and evaluating inventories; review procurement procedures and policy to recommend and promote continuous improvement. Frequently assigned challenging projects with supervisory capacity over team member and often called to represent upper management in their absence.

Education

Texas A&M University Corpus Christi, Corpus Christi TX
Major: Bachelors Business Administration Emphasis in Economics
BBA Degree: August 2004 - May 2008. GPA in major: 2.98 (4.0=A)

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I do not currently serve on a City board, commission or committee. I do serve as a member of the Board of Directors with my homeowners association, Tropic Isles HOA, in Flour Bluff.

Education, Professional and/or Community Activity (Present)

I have a Bachelor of Science degree in Geography from the University of California at Davis. I am the Director of Planning at the Corpus Christi Regional Transportation Authority (CCRTA). In addition, I am a Project Management Professional (PMP). During periods of implementing service improvements or conducting major planning studies, I have connected with the community throughout the City of Corpus Christi. Additionally, I interface with the CCRTA Board of Directors each month through presentations at meetings to advance transit initiatives and report performance statistics. I enjoy living in Corpus Christi and serving the community as a CCRTA professional. I've talked with residents and visitors at transit stations, bus stops, on buses, while walking in downtown or in the neighborhoods. I've confidently presented in front of several stakeholder groups at senior centers, schools, neighborhood associations including North Beach, Flour Bluff, and the Northside area, City of Corpus Christi Committee for Persons with Disabilities, Young Business Professionals, Downtown Merchants Association, Corpus Christi MPO Technical Advisory Committee, CCRTA Board of Directors, CCRTA Committee on Accessible Transportation, R/UDAT Steering Committee, Caller Times, Naval Air Station, Corpus Christi Army Depot, and other groups. I am a member of the Corpus Christi Metropolitan Planning Organization (MPO) Technical Advisory Committee, CCRTA-City of Corpus Christi Monthly Coordination Meetings, and the Regional/Urban Design Assistance Team Program (R/UDAT) Steering Committee which was formed in the Fall of 2014.

Why are you interested in serving on a City board, commission or committee?

Corpus Christi is a diverse city with multiple business, education, recreation, and tourism opportunities. It is a growing region that needs to strategically advance more development and revitalization efforts. My interests while serving on a committee are to increase family and youth activities, improve economic development, provide focused revitalization opportunities to attract more residents and visitors to our community, and foster public and private partnerships to increase our overall livelihood. By serving on a City of Corpus Christi Committee, I believe that I have the background and professional knowledge to make a positive impact for our community.

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

☒ I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

☒ I Agree

☒ None of the above

Gordon Robinson, PMP

SUMMARY: Experienced executive leader, technically skilled, certified project management professional (PMP), and effective communicator who is a hands-on, motivated, reliable, and experienced professional in the areas of strategic planning, transit service design and implementation including scheduling, blocking, rostering, customer service, bus and paratransit operations including bus stop management and detours, maintenance and fleet management, personnel management, capital improvements, budgeting and reporting, contract management and negotiation, ridership analysis and performance reporting using Genfare fare boxes and Automated Passenger Counters, trip planning and next bus technology, vanpooling, bicycle sharing, community outreach, problem solving, civil and traffic engineering, environmental and land use planning, and Title VI of the Civil Rights Act of 1964.

EDUCATION: Bachelor of Science, Physical Geography; University of California at Davis.

PROFESSIONAL EXPERIENCE:

11/2013-Present: **Director of Planning**, Corpus Christi Regional Transportation Authority (CCRTA), Service Development Department, Corpus Christi, Texas.

- Direct the Authority's Service Development Department activities which includes the development of short and long range transportation plans in alignment with financial plans and approved budgets.
- Effectively manage an annual budget of approximately \$425,000 and department staff.
- Lead short and long range planning studies including the development of service plans with cost estimates to implement three operator sign-ups per year.
- Apply for state and federal grants in coordination with agencies including the Federal Transit Administration (FTA), Metropolitan Planning Organization (MPO), Texas Department of Transportation (TxDOT), and other subrecipients.
- Lead the analyzing, monitoring, and reporting of ridership results and performance metrics using Genfare fare box data, surveys, and trip card summaries.
- Support and problem solve customer focused transit technology products utilizing Clever Devices, Trapeze FX and Blockbuster, Google Transit, and TransLoc.
- Develop scopes of work and independent cost estimates to initiate and implement projects, and manage multiple consultant contracts.
- Lead federal reporting efforts under Title VI of the Civil Rights Act of 1964 and National Transit Database (NTD) including required passenger sampling.
- Support the completion of FTA Triennial and Federal Certification Reviews.
- Conduct customer outreach to inform public and other stakeholders of service improvements and changes.
- Prepare and present reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

11/2011-10/2013: **Director of Planning**, Riverside Transit Agency (RTA), Planning Department, Riverside, California.

- Developed the Planning Department's annual budget of \$1,200,000, managed projects, consultant contracts, service agreements, and implemented quarterly service changes.
- Directed and managed the Agency's planning and programming functions to support short and long range transportation plans. Led NTD reporting and passenger sampling efforts.
- Served as Project Manager for the 10-year RTA Forward Transit Plan to develop service improvements.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and TransitMaster CAD/AVL.
- Served as Project Manager for a scheduling services three year contract totaling approximately \$536,000.
- Developed and submitted state and federal grant applications.
- Prepared and presented reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

Gordon Robinson • Page 2

07/2010-10/2011: **Transit Planning Manager**, Orange County Transportation Authority (OCTA), Strategic Planning Department, Planning Division. Orange, California.

- Managed new transit planning section under the Planning Division responsible for completing a \$500,000 comprehensive systemwide fixed route and paratransit bus system restructuring study, branded the "Transit System Study", with extensive public outreach with approximately 50 stakeholders including all 34 cities in Orange County, the public, transit advocates, major employers, major colleges and universities, and the Board of Directors.
- Effectively led a team to develop work plans for prioritized annual and short range transit plans, completed transit initiatives including OCTA's Go Local Program and other planning studies, and submitted a planning grant application for a regional park and ride study in partnership with Caltrans.
- Developed a 20-year bus capital plan, conducting transit planning study to improve service delivery at the Brea Mall transit center, completing project study report equivalents at the Laguna Hills Transportation Center and the Anaheim Regional Transportation Intermodal Center to improve and define service design.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and Orbital CAD/AVL.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and several other stakeholder groups.

12/2007-06/2010: **Bus Rapid Transit Project Manager**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy Department, Transit Division. Orange, California.

- Project manager and contract manager to oversee 15 firms under the Program Management Consultant multi-year contract to support the Five-Year Rapid Transit Program involving the Bus Rapid Transit (BRT) program, Go Local and Measure M community circulator programs, and the planning and design for the Anaheim Regional Transportation Intermodal Center.
- Project manager in charge of OCTA's federally and state funded \$55 million Bravo! BRT program responsible for completing the design, construction, and implementation phases of three planned arterial based mixed-flow BRT corridors in Orange County.
- Led and coordinated multiple consultant team contracts for the civil and architectural design of approximately 110 BRT station stops including the preliminary design of a real-time passenger information system, traffic signal synchronization design and implementation, and preliminary concept design of transit signal priority elements for 252 intersections within the BRT corridors.
- Participated in contract negotiations with Procurement Department and legal counsel to resolve consultant performance and invoicing issues.
- Researched fare collection methods and travel time delays to reduce anticipated dwell times.
- Led grant application efforts to obtain funding to implement traffic signal synchronization.
- Conducted and coordinated stakeholder outreach efforts throughout the design of the BRT program.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and other stakeholder groups.

03/2002-11/2007: **Senior Transportation Analyst**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy and Strategic Planning Departments in the Transit and Planning Divisions. Orange, California.

- Managed and coordinated the planning and implementation of new bus services and other bus service improvements and recommendations for each service change using field work and data analysis tactics.
- Developed specific work plans for small contracts, analyze data to support transit planning studies, assess ridership projections, and support routing and stop improvements.
- Conducted analysis using GIRO's HASTUS scheduling databases, GFI fare box data, and Geographic Information Systems (GIS) methods and applications to assess travel speeds and service levels throughout city and unincorporated areas within the service area.
- Prepared and presented reports to Board of Directors and coordinated with stakeholder groups to implement improvements.

07/2000-03/2002: **Systems Manager**, FORMA. Irvine, California.

- Under the Planning Division, managed GIS staff assigning tasks, monitoring budgets, schedules, and project deadlines while performing external and internal marketing responsibilities including proposal writing, proposal interviews, demonstrations, conference presentations, developing business relationships, and completing marketing brochures and posters.
- Served as project manager for the \$170,000 Rivers and Mountains Conservancy Open Space Plan which included the data collection and GIS system development of over 650 data sets containing aerial imagery, historical, infrastructural, biological, demographical, transportation, and other planning related data. Coordinated and authored responses to request for proposals for GIS projects and built product demonstrations and brochures for presentations, meetings, and clients using ESRI software products.
- Provided private and public sector clients with GIS analysis results, reports, maps, and modeled visualizations, AutoCAD drawing modifications, and Microsoft Access software to support projects and related tasks.

11/1994-06/2000: **Senior GIS Analyst**, RBF Consulting, Information Systems Services Department. Irvine, California.

- In support of planning and engineering projects, supervised a team of employees assigning tasks, monitoring budgets, and schedules to meet project milestones for private and public sector clients. Served as deputy project manager for the completion of the Natural Communities Conservation Plan (Orange County Central-Coastal NCCP/HCP) planning effort in collaboration with the Irvine Company and other organizations to preserve open space, multiple species, and habitat areas in Orange County.
- Served as lead analyst to develop a transportation travel time model in order to determine the best location of a new fire station to serve a planned new development in south Orange County.
- Provided on-site GIS support for the OCTA to build and edit spatial and tabular routing data for transit and master plan of arterial highway applications. Served as data conversion manager for the City of Santa Barbara Automated Mapping Services project responsible for the data collection and conversion of over 330 water and wastewater atlas sheets containing over 18,000 facilities.
- Performed GIS analysis and mapping using ESRI software products, Microstation SE and Descartes, Microsoft Access, and MapObjects software to support projects.

HONORS, AWARDS, and ACCOMPLISHMENTS:

- 2017-18 Leadership Corpus Christi Class 46 Participant
- 2016-17 Texas Transit Leadership Initiative Graduate
- Presenter at the 2017, 2016 and 2015 APTA Multimodal Operations Planning Workshops
- Presenter at the 2016 APTA Bus and Paratransit Conference in Reno, NV
- 2015 American Public Transportation Association (APTA) Peer Review, Pierce Transit, Lakewood, WA
- Member of the APTA Policy and Planning Committee, APTA Major Capital Investment Planning Subcommittee, and the APTA EJ/Title VI Subcommittee
- Certified Project Management Professional (PMP), License 1436980, and member of the Project Management Institute
- Member of the Corpus Christi MPO Technical Advisory Committee
