

Corpus Christi City Council Meeting

STWA expansion project update to supply water to Corpus Christi Water

Corpus Christi, September 23th 2025

Briefing-

- The STWA Board of Directors approved the offering of water to City of Corpus Christi on Sep 9, 2025
- **Water Quality-** Raw water quality results requested by the City staff have been provided.
- The water purchased by the City will be treated/finished water and meet or exceed all TCEQ primary and secondary drinking water standards.
- **Volume-** The final target size of the phase 1 project is 13 MGD, 3 MGD for STWA and 10 MGD for the City.
- Option to add additional water in 10 MGD increments
- **Contract-** Drafted and ready for negotiation of terms between STWA and City Staff
- Full Project Update to be provided on October 14.
