Building Standards Board Hearing Appeal for 1203 Sabinas Street

CAPTION:

Resolution denying Adriana Jimenez, aka Adriana Orozco's appeal, thereby upholding Building Standards Board order to demolish the buildings and structures on the property located at 1203 Sabinas Street.

PURPOSE:

Mr. Jose Raudel Orozco has requested the City Council hear and consider an appeal of a decision of the Building Standards Board regarding property located at 1203 Sabinas Street.

BACKGROUND AND FINDINGS:

On June 1, 2016, due to the substandard and dilapidated condition of the residential and accessory structures at 1203 Sabinas Street, a hazard to the health, safety, and welfare of the public is henceforth declared. The Building Standards Board ordered the structures at 1203 Sabinas to be removed or demolished by owner, lien holder or mortgagee within thirty (30) days. If demolition is not started and completed as required, then the City be authorized to demolish.

Per Section 13-24 of the Code, an owner or occupant may appeal a decision of the board to the city council. Jose Raudel Orozco submitted a notice of appeal in writing on August 10, 2016, within 30 days of the board's decision. The City Charter, Article VI, Section 2 states that appeals shall be perfected by filing a sworn notice of appeal with the city secretary within thirty (30) days from the date of the decision.

In addition, Section 13-24(b), of the Code states that all orders of the Board regarding this property are to be suspended pending a decision on this matter by the City Council.

During an appeal, the City Council acts in a quasi-judicial capacity to determine the facts and to determine whether the structure requires demolition. After hearing presentations from staff and from the appellant, the Council can decide to deny the appeal (uphold the Building Standards Board order) or to sustain the appeal (reversing the Board's order in whole or in part). Under Section 13-24(b), the Council may vary the application of any provision of Chapter 13 of the City Code when the enforcement thereof would do manifest injustice and would be contrary to the spirit and purpose of this Code, the Corpus Christi Property Maintenance Code or public interest or when, in its opinion, the decision of the board should be modified or reversed. A decision of the city council to vary the application of any provision of this Code or the Corpus Christi Property Maintenance Code, or to modify an order of the board in whole or in part shall specify in what manner such modification is made, the conditions upon which it is made and the reasons therefore. The decision of the city council shall be final unless the aggrieved party appeals by instituting suit for that purpose in any court having jurisdiction within fifteen (15) days from the date on which the decision of the city council was rendered.
