Homewood Suites by Hilton

Project Details:

- Five story, 127-room dual hotel (overnight and extended stay), including a rooftop bar, retail space, Top Golf Swing Suites, outdoor patio and other amenities
- Project costs increased during the pandemic, resulting in required rental rates that could not be supported by established leasing rates in the downtown area
- \$2,000,000 reimbursement request from the Type B Corporation approved
- \$1,510,087.50 for FEMA AE Flood Zone requirements
- \$489,913.50 for exterior upgrades and lease spaces

The screenshot shows the FEMA website with the following elements:

- Header:** FEMA logo, search bar, and navigation links: Prepare for Disasters, Get Flood Insurance, Apply for Assistance, Check Application Status.
- Navigation Bar:** Disasters & Assistance, Grants, Floods & Maps, Emergency Management, About, Work With Us.
- Left Sidebar:** About, News & Multimedia, Press Releases (highlighted), Blog, Events, Fact Sheets, FEMA Live, Mobile Products, Newsletters, Podcast, Social Media, About Us, Reports & Data, FEMA in Action.
- Main Content:**
 - ## Nueces County, Texas Flood Maps Become Final
 - Language selector: English, Español.
 - DENTON, Texas** – New flood maps have been finalized and will become effective on Oct. 13, 2022 for Nueces County, Texas. During the next six months, a FEMA compliance specialist will work with the community to update each floodplain ordinance and adopt these new flood maps.
 - Residents are encouraged to examine the maps to determine if they are in a low-to-moderate or high-risk flood zone. The current and future Flood Insurance Rate Map can be viewed on FEMA's Flood Map Changes Viewer at <https://fmsc.fema.gov/fmcy>.
