

Community Park Development & Improvements La Retama Park

Council Presentation
June 23, 2015

Project Scope

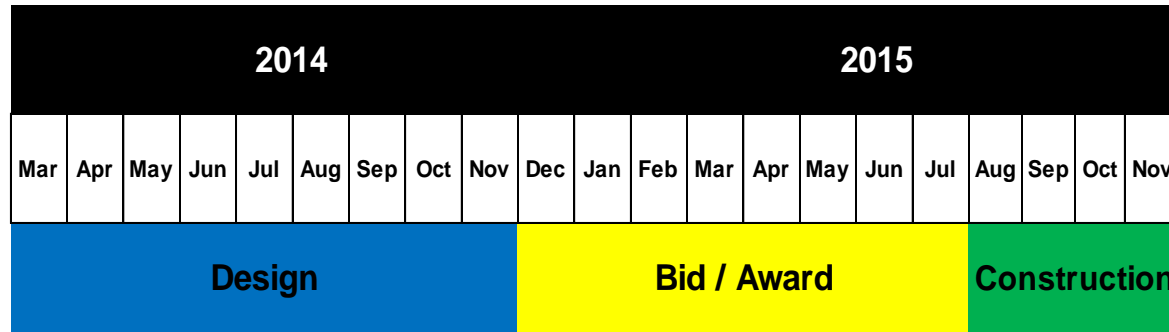

Project includes:

- Removal of existing sod & landscaping
- New stabilized decomposed granite surface
- New landscaping & irrigation
- Other amenities such as bike rack, historical marker, signage, trash / recycle receptacles and other misc. items

Project Schedule

Project Estimate: 120 Calendar Days \approx 4 Months

Projected Schedule reflects City Council award in July 2015 with anticipated construction completion in November 2015.
