Interlocal Agreement for Texas Department of Public Safety
--

**CAPTION:**

Motion authorizing execution of an Interlocal Cooperation Agreement with the State of Texas, acting through the Department of Public Safety (DPS), to allow DPS access to the Coastal Bend Public Safety Radio System in exchange for an annual maintenance payment.

**SUMMARY:**

The Interlocal Agreement formally authorizes DPS to access and utilize the Coastal Bend Public Safety Radio System for their operational needs, thereby improving interoperability among public safety agencies in the region.

**BACKGROUND AND FINDINGS:**

The Texas Department of Public Safety has requested an Interlocal Agreement to become a user of the Coastal Bend Public Safety Radio System. This access will provide DPS with seamless communication capabilities across Brooks, Kleberg, Nueces, San Patricio, Live Oak, and Goliad Counties, significantly enhancing interoperability with other public safety entities utilizing the system. The Interlocal Agreement specifies that DPS will remit an annual payment for their external user status on the Radio System.

**ALTERNATIVES:**

Consider not approving the proposed interlocal agreement.

**FISCAL IMPACT:**

The City of Corpus Christi will receive and distribute revenue. The City's share will be used to offset the Radio System's expenses.
