To whom it may concern,

On behalf of our client, Frank Manning, we would like to request a time extension for the final plat of Manning Acres, Lots 1R and 2 - 7, located at 2020 Yorktown Blvd. The project number associated with this project is 23PL1052. Frank Manning would like to request more time to collect the funds necessary to pay for the public improvements required as well as the city fees associated with this final plat. Please let us know if there is anything else you may need from us to grant this time extension.

Thank you,

Mike Collier
