SUBJECT: Subcommittee Meeting

At the July 13 meeting, the subcommittee voted to recommend that TML oppose legislation that would alter the city share or the calculation or sourcing of city sales taxes.

The subcommittee also voted to recommend that TML seek introduction and passage of legislation that would convert the sales tax reallocation process from a ministerial process into a more formalized administrative process that would, at a minimum, require prior notice to all affected parties.

This memo will serve as the subcommittee's report to the full committee.

The members of the Revenue and Tax Committee will meet in combination to form the General Government Committee for the final time at 10:00 a.m. on Friday, August 24, 2012, at the Hilton Austin Airport.

If you have any questions or comments, please call Bill Longley at (512) 231-7400.

We look forward to seeing you on August 24.
