

A One-Year Service Agreement with A-Plus Janitorial & Mowing Services for Downtown Seawall Clean-Up

City Council Meeting
November 19, 2024

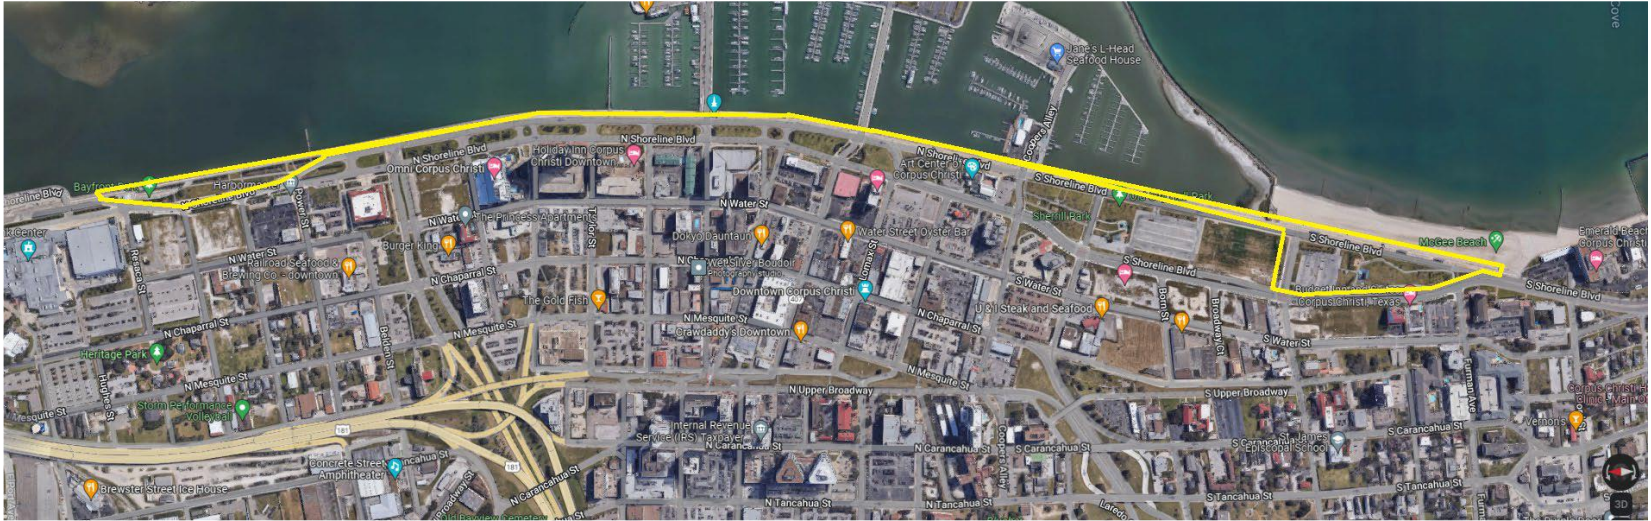

Background

- The Service Agreement with A-Plus Janitorial & Mowing Services (Contractor), is for downtown, seawall clean-up, with a concentration on litter/trash collection & removal.
- More specifically, these services will be performed after regular City operating hours.
- Parks & Recreation does not have adequate staff coverage to provide these services during the specified time periods.
- If this service were not provided, there would be significantly more litter along the Seawall, which is unsightly & would detract from the visitor experience.

Location

The area to be serviced spans along Shoreline Boulevard from McGee Beach to Resaca Street near American Bank Center.

Service Agreement

- The proposed term for the agreement is for one-year, with two one-year options.
- The Contractor shall pick up/dispose of all ground litter and empty trash receptables/barrels including dog waste stations.
- The maintenance schedule shall be Friday, Saturday & Sunday from 10:00 p.m. to 4:00 a.m.

Recommendation

- Staff recommends approval of the Service Agreement for Downtown Seawall cleanup.
