

Art Museum HVAC Systems Improvements, Museum of Science & History Improvements and Harbor Playhouse - Building & HVAC Systems

7-13-2026

Art Museum HVAC Systems Improvements, Museum of Science & History Improvements and Harbor Playhouse - Building & HVAC Systems

- The Capital Improvement Project for Art Museum HVAC Systems Improvements, Museum of Science & History Improvements and Harbor Playhouse - Building & HVAC Systems was approved during the June 8, 2026, Corpus Christi B Corporation Board meeting and authorized during the June 30, 2026 City Council meeting.
- This item is being presented to hold the required public hearing and provide an opportunity for public comment on the project.
- The projects include improvements to the Art Museum of South Texas, Harbor Playhouse, and the Corpus Christi Museum of Science and History. Improvements include the installation of stand-alone HVAC systems, building envelope and structural rehabilitation, ADA accessibility upgrades, roof and drainage improvements, fire alarm and life safety enhancements, and other facility improvements to preserve and modernize these SEA District cultural facilities.
- A public hearing for the use of Type B funds must be held before funds may be expended. Funds cannot be expended until 60 days after the public hearing.
- Total Type B Funding for Fiscal Year 2026: \$1,794,500

Thank you!
