Corpus Christi Water Logo Painting for Elevated and Ground Storage Tanks

CAPTION:

Motion authorizing a one-year service agreement with Viking Painting, LLC, of La Vista, Nebraska, for \$212,500.00 to paint Corpus Christi Water's new logo on four water storage tanks, with FY 2023 funding from the Water 2023 Revenue Bonds Fund.

SUMMARY:

This motion authorizes a one-year service agreement with Viking Painting, LLC of La Vista, Nebraska for painting the new Corpus Christi Water (CCW) logo on three elevated storage tanks and one ground storage tank.

BACKGROUND AND FINDINGS:

Corpus Christi Water (CCW) recently unveiled a new logo as part of its rebranding strategy. This new logo will be painted on the following four locations: Coral Vine - 4201 Allamanda Dr. 78418, District 4; Holly Road - 4917 Holly Rd. 78411, District 3; Rand Morgan Elevated Storage Tank - 9365 Leopard St. 78409, District 1; and Staples Ground Storage Tank - 5501 CR 43 78415, District 5. The logo will let residents and visitors know that Corpus Christi Water is the water provider for 500,000 residents encompassing nineteen cities in seven counties.

PROCUREMENT DETAIL:

Finance-Procurement conducted a competitive Request for Proposal for CCW Logo Painting for Elevated and Ground Storage Tanks. Three firms submitted proposals. One firm did not meet the specifications. The two other firms were evaluated and interviewed according to the technical and

evaluation criteria on the Request for Proposal. The selection committee was comprised of representatives from Corpus Christi Water. Each proposer was scored according to 1) firm's experience 2) team experience and identification, and 3) understanding of project scope 4) price. Staff recommended the award to Viking Painting, LLC.

ALTERNATIVES:

The alternatives would be 1) not to paint the logo on any of the storage tanks or 2) to go out for two separate bids - one for painting the logo on the three ESTs and one for painting the logo on the GST - but this option may be more costly and CCW intends to complete this project at the lowest possible cost.

FISCAL IMPACT:

The fiscal impact for Corpus Christi Water in FY2023 is \$212,500.00 from the Water Capital Fund.
