

Federal Aviation Administration Airport Improvement Program – Grant No. 69

Ordinance Authorizing Acceptance of Grant Award

Corpus Christi International Airport
Interim Director of Aviation, Jeremy Valgardson

September 23, 2025

Background Information

Ordinance appropriating \$16,194.00 from Federal Aviation Administration Grant No. 3-48-0051-069-2022 Amendment No. 1 in the Airport CIP Grants - Fund 3020 for projects involving CCIA's Terminal Rehabilitation with a 5% match provided from the Airport CIP Reserve – Fund 3018.

Background Information

This grant will provide funding for:

Amendment No. 1 will assist in addressing these constructions overruns. These improvements were not part of the original project scope but were identified in the construction phase.

The only alternative would be for the additional project costs to be funded entirely from Airport funds or foregoing the additional improvements.
