Background:

The subject property is a 0.46-acre tract, out of the northeast area of the city, located along the southeast side of Indiana Avenue, southwest side of Santa Fe Street, and northeast of Texas Avenue.

The surrounding properties to the north, south, and west are zoned "RS-6" Single-Family with a current land use of medium-density residential. The property to the east is zoned "CN-1" Neighborhood Commercial, with a current land use of commercial.

The applicant is requesting to rezone from the "ON" Neighborhood Office District to the "CN-1" Neighborhood Commercial District to allow for retail sales such as antique stores, jewelry stores, and community-friendly outdoor events. Similar to the activity across Santa Fe Street, local restaurants and shops are within walking distance of a vibrant and thriving community. The applicant wishes to maintain the community characteristics of the neighborhood as a vintage retail shop is proposed and remains compatible with nearby uses.

The "CN-1" Neighborhood Commercial District allows office uses, multifamily dwellings, certain indoor recreation uses, retail sales and service uses, medical facility uses, overnight accommodation uses, and restaurant uses less than 5,000 square feet in gross floor area.

Plan CC (City of Corpus Christi Comprehensive Plan) Consistency:

The proposed rezoning is consistent with the following Elements, Goals and Strategies for Decision Makers:

- Future Land Use, Zoning, and Urban Design
 - Corpus Christi development patterns support efficient and cost-effective use of resources and high quality of life.
 - Encourage the protection and enhancement of residential neighborhoods.
 - Promote the stabilization, revitalization, and redevelopment of older neighborhoods.
 - Promote a balanced mix of land uses to accommodate continuous growth and promote the proper location of land uses based on compatibility, locational needs, and characteristics of each use.

Bayside ADP (Area Development Plan) and FLUM (Future Land Use Map) Consistency:

The proposed rezoning is consistent with the Bayside ADP. Of the four lots to be rezoned, two of them are inconsistent with the future land use designation of Medium-Density Residential while the other two lots, located at the southeast half of the property, will maintain commercial FLUM designation.

Staff Analysis:

Staff reviewed the subject property's background information and the applicant's purpose for the rezoning request and conducted research into the property's land development history to include platting, zoning, existing surrounding land uses, and potential code violations. Staff compared the proposed zoning's consistency with the applicable elements of the comprehensive plan. As a result of the above analysis, staff notes the following:

- The proposed rezoning is consistent with elements and goals of the City of Corpus Christi Comprehensive Plan (Plan CC); however, it is inconsistent with the future land use designation of Medium-Density Residential, while the other two lots, located at the southeast half of the property, will maintain commercial FLUM designation.
- The requested amendment is compatible with the present zoning and conforming uses of nearby property and to the character of the surrounding neighborhood.
 - As the property is currently zoned "ON" Neighborhood Office District, the "CN-1" Neighborhood Commercial District maintains the commercial characteristic of the Santa Fe corridor and the continuation of commercial uses will not have any adverse impact on the surrounding area.
- The property is suitable for the uses permitted by the zoning district that would be applied by the proposed amendment, if approved.

Planning Commission and Staff Recommendation (June 10, 2026):

After evaluation of case materials provided and subsequent staff analysis including land development, surrounding uses and zoning, transportation and circulation, utilities, Comprehensive Plan consistency, and considering public input, Planning Commission and Staff recommend approval of the change of zoning from the "ON" Neighborhood Office District to the "CN-1" Neighborhood Commercial 1 District.
