Description

This project consists of reconstruction of existing roadway with new pavement, curb & gutter, sidewalk, ADA compliant curb ramps, signage, pavement markings, traffic signalization improvements, and concrete bus pads. Consideration will be given for improvements to bike mobility per the adopted MPO bicycle mobility plan. This project is currently scheduled to begin construction in FY2022 and continue until completed. Schedules maybe adjusted after design is completed or during annual CIP update.

Justification

Consistency with the Comprehensive Plan; Policy Statements pp. 25-32; Transportation Master Plan. This project will improve the road and accommodate heavier traffic flows and provide a safer driving experience.
