This motion approves an amendment to allow for construction of two shared sidewalks and bicycle paths that are eight (8) foot wide on both sides of the bridge.

The City's contribution will now consist of \$2,000,000.00 cash for the Shared Used Paths (SUP's) and \$1,158,184.00 in-kind project structural improvement work. The total project cost would be \$22 million with the addition of the SUP's.
