Authorizing the City of Corpus Christi to participate in the Texas Enterprise Zone

### **CAPTION:**

Ordinance authorizing the City of Corpus Christi to participate in the Texas Enterprise Zone Program under the Texas Enterprise Zone Act, Chapter 2303, Texas Government Code (The "Act"), providing tax incentives; Designating a liaison for overseeing Enterprise Projects and communicating with Parties

### **PURPOSE:**

Authorize the City to participate in the Texas Enterprise Zone Program.

### **BACKGROUND AND FINDINGS:**

Under State Law, the Office of the Governor – Economic Development and Tourism Division through the Texas Economic Development Bank administers the Texas Enterprise Zone (TEZ) Program. According to the Texas Enterprise Zone Act, Chapter 2303, Texas Government Code, the purpose of the program is to encourage job creation and retention and capital investment in areas of economic distress.

The 78th legislature amended the act to increase participation in the program, decrease paperwork and streamline the process. Under the amended act, communities are no longer required to submit an application and fee to create an enterprise zone; designation of an enterprise zone is automatic based on decennial figures. Areas designated as enterprise zones include census block groups with 20 percent poverty and areas federally designated as Renewal Communities. Previously designated enterprise zones will be designated until their expiration, after which the area would need to meet the 20 percent poverty guideline. A project seeking designation as a Texas Enterprise Zone Project still must seek nomination from the governing body to the Office of the Governor for consideration and designation.

Communities participating in the Texas Enterprise Zone Program are required to provide incentives to the project in addition to offering nomination for participation in the Texas Enterprise Zone Program. At least one of the incentives must be exclusive to the Texas Enterprise Zone.

A designated project located in the Texas Enterprise Zone must agree to hire at least 25 percent of its employees from the enterprise zone or economically disadvantaged groups and in return will receive a refund of sales and use tax (SUT) paid to the Office of the Comptroller. If the project is located outside the zone, the project must agree to hire at least 35 percent of its new employees from the enterprise zone or economically distressed groups.

The program allows a refund of \$2,500 for each job created or retained. If investment levels are adequate, the local nominating governing body may nominate a project as a Double or Triple Jumbo Project designation, increasing the value per job created or retained to \$5,000 or \$7,500, respectively. Therefore, a double jumbo project can receive a rebate of up to \$2.5 million, and a triple jumbo project can receive a rebate of up to \$3.75 million.

State Law allows each participating community with a population less than 250,000 to nominate up to six projects per biennium and communities with a population more than 250,000 to nominate up to nine projects per biennium. Since City of Corpus Christi's population exceeds the 250,000 threshold, up to nine projects can receive designation during this biennium. A double jumbo project assumes two of the number of projects allowable and a triple assumes three. Thus far, the City has nominated one business for this biennium. This nomination will use two of the City's eight remaining nominations of local businesses.

The City of Corpus Christi has nominated a number of projects in the past including the Valero, Bay Ltd, CITGO, Stripes, and Flint Hills Resources. To date, the designated enterprise zone projects have resulted in at least \$2 billion in investment in Corpus Christi. This local capital investment represents a significant portion of all of the combined capital investment made in enterprise zones across the state.

**ALTERNATIVES:**

The City can choose not to participate in this program.

**OTHER CONSIDERATIONS:**

Not applicable

**CONFORMITY TO CITY POLICY:**

This conforms to City policy of promoting economic development, attracting primary jobs to the area, and is regional in scope.

**EMERGENCY / NON-EMERGENCY:**

Non-emergency

**DEPARTMENTAL CLEARANCES:**

Legal

**FINANCIAL IMPACT:**

Fund:

**Comments:** This incentive would rebate the State's portion of the sales tax and does not affect the City in anyway.

**RECOMMENDATION:**

Staff recommends approval of the ordinance to participate in the Texas Enterprise Program.
