

(OPTION 2)

RESOLUTION AMENDING CITY COUNCIL POLICIES REGARDING MOTION TO RECONSIDER

Be It Resolved by the City Council for the City of Corpus Christi, Texas:

That City Council Policy No. 16 n. regarding Motion to Reconsider is amended to add the underlined text as follows:

16. - Conduct of meetings; rules of procedure.

n. Motion to Reconsider. Any member of the Council who voted with the prevailing side on any question may move its reconsideration no later than the next regular meeting; reconsideration shall require a two-thirds vote of the Council. The fact that a failed action is subject to such motion being made at the next regular meeting does not prevent it from being brought up as new business at or before the next regular meeting. A motion to reconsider a previous vote or action of the City Council shall only be permitted when the requesting Council member and the Council member seconding the request submit a written request to the City Secretary at least one business day prior to the expiration of the 72-hour posting deadline to request placement on the next regular City Council meeting agenda. Upon such written request, the City Secretary shall place such motion for reconsideration on the next regular City Council meeting agenda, and include a statement on the agenda that if the motion to reconsider passes by the required two-thirds vote, then the reconsidered item shall be voted on at the same meeting.
