

## **OSO WATER RECLAMATION PLANT (WRP) PROCESS UPGRADE & BREAKPOINT CHLORINATION FACILITY DECOMMISSIONING – CHANGE ORDER NO. 4**

Council Presentation: FEBRUARY 10, 2026

## PROJECT MAP

# OSO WRP PROCESS UPGRADE & BREAKPOINT CHLORINATION FACILITY DECOMMISSIONING – CHANGE ORDER NO. 4

## PROJECT SCOPE

# **OSO WRP PROCESS UPGRADE & BREAKPOINT CHLORINATION FACILITY DECOMMISSIONING – CHANGE ORDER NO. 4**

The change order work includes demolition and replacement of roof to extend structural life, replacing man-doors, windows, skylights, and exterior lighting.

Additionally, the change order work also includes replacement of existing air-bridge course bubble aeration system in Aerated Sludge Holding Tank #1.
