SECTION 6. In accordance with Section 52.072(c) of the Election Code, the Propositions shall appear on the City’s ballot after the listing of offices that are the subject of the General Election.

SECTION 7. The voter-approved bonds issued pursuant to Propositions 1 and 2 above shall be secured by and payable from the full tax rate authorized by Texas Constitution, in accordance with Article VIII, Section 1(b) of the City Charter.

SECTION 8. All resident qualified voters of the City shall be permitted to vote at the Special Election, and on Election Day, such voters shall vote at the designated polling places. The Special Election shall be held and conducted in accordance with the provisions of the Election Code and Chapters 1251 and 1331, as amended, Texas Government Code (collectively, the *Election Laws*), and as may be required by any other law. All materials and proceedings relating to the Special Election shall be printed in both English and Spanish.

SECTION 9. A substantial copy of this Ordinance shall serve as a proper notice of the Special Election. This notice, including a Spanish translation thereof, shall be posted (i) at three (3) public places within the City and at the City Hall not less than twenty-one (21) days prior to Election Day and (ii) in a prominent location at each polling place on Election Day and during early voting and shall be published on the same day in each of two (2) successive weeks in a newspaper of general circulation in the City, the first of these publications to appear in such newspaper not more than thirty (30) days, and not less than fourteen (14) full days prior to Election Day. SECTION 10. As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, added by the 83rd Texas Legislature, the City, as of its fiscal year beginning October 1, 2014, had outstanding an aggregate ad valorem tax-supported principal amount of debt equal to \$442,425,000; the aggregate amount of the interest owed on such City debt obligations, through respective maturity, totaled \$154,838,244; and the City levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.208458 per \$100 of taxable assessed valuation. Of the aforementioned City debt, the City considers \$61,697,056 and \$15,981,174 of that principal and interest, respectively, to be self-supporting debt payable from sources other than ad valorem taxes. The City estimates an ad valorem debt service tax rate of \$0.230362 per \$100 of taxable assessed valuation if the bonds that are subject of the Special Election are approved and are issued (taking into account the outstanding City bonds and bonds that are the subject of the Special Election, but not future bond authorizations of the City). This is only an estimate provided for Texas statutory compliance and does not serve as a cap on any City ad valorem debt service tax rate.

SECTION 11. The Council hereby appoints the City Secretary as the authority and officer responsible for the conduct of the Special Election and is hereby authorized and directed to make all necessary arrangements for the holding of the Special Election in accordance with the Elections Laws, which obligations include (but are not limited to) coordinating the Special Election process and negotiating, entering into, and carrying out the terms and provisions of one or more joint election agreements or contracts with the County and any Participants in accordance with the provisions of the Election Code. To the extent that any duty or obligation of the City, in general, or the City Secretary, in particular, is properly delegated to the County pursuant to a joint election agreement, then the County's carrying out those duties and obligations on the City's behalf pursuant to the terms of such joint election agreement shall be binding upon the City and are hereby determined by the Council to be evidence of the City's compliance with the provisions of the Election Laws relative to the same.

In addition, the City Manager and the City Secretary, individually or in concert and as necessary or desired, are hereby authorized and entitled to make such technical modifications to this Ordinance that are necessary for compliance with applicable State or federal law (including the Election Laws) or to carry out the intent of the Council, as evidenced herein.

SECTION 12. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Council.

SECTION 13. All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

SECTION 14. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 15. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 16. It is officially found, determined, and declared that the meeting at which this Ordinance was adopted was open to the public and public notice of the time, place, and subject matter of

the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 17. This Ordinance shall be in force and effect from and after its final passage, and it is so ordained.
