In the event that such audit reveals an underpayment by Licensee, Licensee agrees to pay Emphasys the amount of such underpayment within 20 days from Emphasys' written notice.

3. Delivery of Licensed Products. Software will be hosted by and integrated with the enterprise resource planning solution provided by Infor ("the ERP"). As such, Emphasys agrees to cooperate with Infor in developing, testing and implementing required interfaces as defined in the Infor Statement of Work and hosting services to ensure the interoperability between Software and the ERP. Specifically, Emphasys must be available to Infor to answer questions and provide installation and guidance during the initial setup phase. Software may be delivered to Infor by CD or by remote telecommunications from Emphasys' place of business unless the parties agree in writing to an alternative method of delivery. Emphasys is not responsible for installing the Software unless Emphasys is specifically contracted to perform installation and training services by Infor.

A. Emphasys warrants that: (i) Software will perform in accordance with Emphasys' standard specifications stated in its Documentation for a period of 90 days from Final Acceptance of the Software (exclusive of bug fixes, modifications or enhancements provided during the warranty period or under the Annual Maintenance and Support Plan); and, (ii) Services provided under the Plan will be performed in a professional and workmanlike manner, including cooperation with Infor in the development of integration to the extent of the Infor Statement of Work, and bug fixes, modifications, enhancements provided under the Plan will perform in accordance with Emphasys' standard specifications. In addition, Emphasys warrants that the Software will meet City's requirements as identified in the City's Request for Proposals, Bid No. RFP BI-0029-12 for an Enterprise Resource Planning System, as amended, which is incorporated by reference, and attached as Exhibit 1. **EXCEPT FOR THE WARRANTIES STATED ABOVE, EMPHASYS AND ITS LICENSORS MAKE NO OTHER WARRANTIES, WRITTEN OR ORAL, WHETHER EXPRESS OR IMPLIED. EMPHASYS AND ITS LICENSORS EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY, TITLE AND NON-INFRINGEMENT.** *For warranty support, Licensee should contact: Technical Support at telephone number 510 655 0900.*

B. Licensed Products are of a complex nature resulting in operations that may be interrupted or errors that may be encountered. Emphasys sole obligation and Licensee's sole remedy under this warranty is for Emphasys, at its option, to provide such services, bug fixes or other modifications it deems appropriate, provide a functional equivalent or reperform services, if: (i) Emphasys receives proper notice of any claimed Software defect during the warranty period or a claim of defective services or Software under the Plan within 10 business days of the related occurrence. Proper notice includes copies of the data, reports and written procedures documenting the claim. And, (ii) the Licensee is otherwise in compliance with this Agreement and using the current version of the Software in accordance with Emphasys' standard specifications.

In the event that it is not commercially reasonable and technically feasible to perform either (A) or (B), then Emphasys may elect to (C) refund to Licensee (1) the unused portion of the Subscription Services fee, if any, paid to Emphasys for the Software giving rise to the infringement claim and discontinue Licensee's use of such Software, and/or (2) the portion of the license fee paid to Emphasys less a charge for use by Licensee based on straight line depreciation assuming a useful life of five (5) years, provided that Licensee has returned or destroyed and discontinued its use of such software

C. Further Limitations. The limited warranties provided in this Section 5, as limited by other provisions of this Agreement, are non-transferable by Licensee except as set forth below and shall immediately become void in the event of any unauthorized use, modification or repair of the Licensed Products or any part thereof or upon breach by Licensee of any provision of this Agreement which remains uncured after notice and 30 days opportunity to cure. Except as otherwise may be provided in any technical support and maintenance agreement between the parties, Licensee shall pay, at Emphasys' then current rates, for services performed by Emphasys to correct problems or defects not covered by warranty, including, without limitation, those traceable to Licensee's errors.

D. Licensee shall pay, at Emphasys' then current rates, for services performed by Emphasys to

address any problems or defects not covered by warranty or the Plan, including, without limitation, those traceable to Licensee's errors. All such services will be provided to a specific proposal outlining the scope of work, time and material rates and delivery schedules.

6. Indemnification.

A. Emphasys hereby agrees to indemnify Licensee against any damages finally awarded against Licensee in connection with a claim that the Licensed Products directly infringe a United States copyright or patent or other intellectual property rights, provided that: (i) Licensee notifies Emphasys in writing within 30 days of the claim; (ii) Emphasys has sole control of the defense and all related settlement negotiations; and (iii) Licensee provides Emphasys with the required assistance, information and authority. Emphasys shall have no liability for any claim of infringement arising from: (a) any unauthorized use, alteration or modification of the Software including use of the Software in conjunction with products not provided by Emphasys; or, (b) use of a superseded or altered release of the Software if the infringement would have been avoided by the use of a current unaltered release of the Licensed Products.

B. If the Licensed Products are held or are believed by Emphasys to infringe, Emphasys shall have the option, at its expense, to: (i) modify the Licensed Products to be non-infringing; or, (ii) obtain for Licensee a license to continue using the Licensed Products. If it is not commercially reasonable to perform either of the above options, then Emphasys may terminate the license for the infringing Licensed Products and refund any unused License Fees or Annual Maintenance and Support Plan fees paid for the affected Licensed Products. Licensee shall discontinue use of the Software.

C. The provisions of this Section 6 state each party's entire obligation and liability with respect to the infringement of any property right based on the use of the Licensed Products.

7. LIMITATION OF LIABILITY. To the extent a claim arises under warranty, the remedy stated in Section 5 applies. To the extent a claim arises under indemnification, the remedy stated in Section 6 applies. AS TO ALL OTHER CLAIMS, LICENSEE ACKNOWLEDGES THAT POTENTIAL DAMAGES IN ANY PROCEEDING WOULD BE DIFFICULT TO MEASURE WITH CERTAINTY AND THE PARTIES EXPRESSLY AGREE THAT AS A FAIR ASSESSMENT OF POTENTIAL DAMAGES, EMPHASYS AND ITS LICENSOR'S LIABILITY UNDER THIS AGREEMENT, REGARDLESS OF FORM OF ACTION, PROCEEDING OR THEORY OF RECOVERY, SHALL NOT EXCEED 1.2 TIMES THE CONTRACT VALUE WHICH ARE DIRECTLY RELATED TO THE CLAIM. REGARDLESS OF THE FORM OF ACTION, PROCEEDING, OR THEORY OF RECOVERY, NEITHER EMPHASYS NOR ITS LICENSORS SHALL IN ANY MANNER BE LIABLE FOR ANY LOST PROFITS, LOST SAVINGS OR OTHER SPECIAL, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, ANY SUCH DAMAGES ASSESSED AGAINST OR PAID BY LICENSEE TO ANY THIRD PARTY, ARISING OUT OF THE USE, INABILITY TO USE, QUALITY OR PERFORMANCE OF THE LICENSED PRODUCTS PROVIDED, EVEN IF EMPHASYS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8. Term and Termination.

A. Term. This Agreement is for a perpetual license and shall continue until terminated by either party ("Term") under the following conditions.

B. Termination.

(i) Emphasys' Right of Termination. Emphasys may terminate this Agreement after 30 days prior written notice for Licensee's failure to pay any amounts due (including any additional License Fees or service fees resulting from legal changes expanding Licensee's rights of use).

(ii) Licensee's Right of Termination. Licensee may terminate this Agreement without cause upon 60 days prior written notice prior to the anniversary date of this Agreement.

(iii) Either Party's Right to Termination. Either party may terminate this Agreement, (a) upon 30 days' prior written notice for the other party's failure to cure any other material breach of this Agreement; (b) immediately upon: (I) termination or suspension of Licensee's business, (II) insolvency or filing of a voluntary or involuntary petition in bankruptcy, which petition is not dismissed within 30 calendar days of filing, (III) appointment of a receiver, assignee or other liquidating officer for all or substantially all of the Licensee's assets or (IV) an assignment for the benefit of creditors.

C. Termination of Maintenance and Support Plan. Either party may terminate the Plan upon 60 days written notice before the anniversary date of this Agreement.

D. Effect of Termination. Except for termination of the Plan, Licensee shall cease use of the Licensed Products upon termination of this Agreement and shall provide a written certification to Emphasys of removal of all copies of the Software from its system and destruction of all copies of Software and Documentation except that required for archival purposes. Termination of the Plan shall not result in termination of this Agreement unless otherwise specified. Termination of this Agreement shall not relieve Licensee of its obligation to pay for any fees nor result in the refund of any fees paid.

Upon termination or expiration of this Agreement, provided that Licensee has paid Emphasys all amounts due under this Agreement, performed all obligations required to be performed by Licensee, and is not in material breach of this Agreement, Emphasys shall promptly assist Licensee with the provision of all Licensee data then hosted by Infor and Emphasys to Licensee as a native database export. Emphasys shall be paid all applicable charges for services rendered through final termination of this Agreement and shall be reimbursed its reasonable out-of-pocket costs and expenses incurred in providing such termination assistance.

9. General.

A. Injunctive Relief. Licensee's breach of any obligation under this Agreement regarding the use, duplication, modification, transfer or confidentiality of the Licensed Products shall entitle Emphasys to

injunctive, specific performance or other equitable relief, all without need of bond or undertaking of any nature, Licensee specifically acknowledging that Emphasys' remedies at law under such circumstances would be inadequate.

B. Assignment. This Agreement shall not be assignable by either party and neither party may delegate its duties hereunder without the prior written consent of the other party. Any attempt by a party to assign any of its rights or delegate any of its duties hereunder without the prior written consent of the other party shall be null and void and shall result in immediate termination of this Agreement under its terms and conditions. Notwithstanding the foregoing, either party may assign its rights or delegate its duties under this Agreement without written consent of the other party in the event that this Agreement is assigned to a successor, parent, or subsidiary of such party, or in the event of an acquisition, merger, or sale of the majority of the relevant assets or shares of either party.

C. Governing Law and Venue. This Agreement is governed by the laws of Texas. Venue lies in the state and federal courts located in Nueces County, Texas.

D. Severability. If a provision is declared invalid, the remainder of the Agreement will continue in full force and effect. The offending provision shall be interpreted to whatever extent possible to give effect to its stated intent.

E. Waiver. Failure to require performance of any provision or waiver of a breach of a provision does not waive a party's right to subsequently required full and proper performance of that provision.

F. Entire Agreement. This Agreement represents the entire agreement on this subject matter excluding all prior agreements, representations, statements, negotiations, and understandings and provisions in any Orders issued hereunder unless the parties consent in writing. This Agreement may be modified only by a written agreement signed by a party's authorized representative.

G. Conflict. Should any Exhibit conflict with this Agreement, the Exhibit shall control.

H. Notices. All notices and demands hereunder shall be in writing and shall be served by personal service or by mail at the address of the receiving party stated below (or at such different address as may be designated by such party by written notice to the other party) and shall be deemed complete upon receipt.

I. Independent. Each party is acting as an independent contractor and not as an agent, partner, or joint venturer with the other party for any purpose.

J. Compliance with all Applicable Laws. Export. At all times, each party will adhere to all applicable state, federal and local laws and regulations in the conduct of its business, installation and use of the Software and maintain the proper insurances as are customary in the business. Licensee shall comply with all applicable export and import control laws and regulations in its use of the Software and, in particular, Licensee shall not export or re-export the Software without all required United States and foreign government licenses.

K. Force Majeure. Except for the payment of any amounts due, performance will be suspended for force majeure upon written notice and may be terminated if such event continues for more than 30 days.

L. Survival. Sections 2(C), (D) and (G), 4 through 7, inclusive, 8(D), and 9 shall survive any termination or expiration of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Effective Date.
