

Corpus Christi hit a homerun on November 5, 2002 when voters approved the Type A Sales tax to build Whataburger Field which would become home for our Corpus Christi Hooks. The stadium is a vital part of the community with baseball games and community events held throughout the year.

This commemorative Homeplate represents the completion of the homerun with the official construction bond debt payoff of Whataburger Field on September 1, 2017.

City Council November 5, 2002

Mayor

Samuel "Lloyd" Neal, Jr.
