To Whom It May Concern:

I am writing to you because I would like to be considered for a nomination to the board of the Corpus Christi Public Library. I am a driven programming and communications professional, and I am building a career around my creativity and problem-solving. I'm also a faithful patron known to leave the library with books stacked up to my chin.

I believe in our libraries. Sometime in 2018, I attended a city council meeting in which someone stood up to comment that they thought we were wasting money on the library system-- it had been replaced by the internet. I hadn't planned to speak, but I had to hop up to the mic and say that I adamantly disagreed. I shared that libraries offer not only all types of books, but also other forms of media, internet access, research help, children's programming, and now, many creative community resources. But maybe most importantly, libraries offer a safe and comfortable place to be, without charge and without bias. They are a powerful force for good in our communities, and it would be an honor to be part of their work.

Looking forward,

Ellison Rhea

Education, Professional and/or Community Activity (Present)

I was a high school science teacher for 15 years, with 12 of those years serving Corpus Christi ISD. I am currently working at TAMU-CC as a program coordinator where I help new students transition from high school to university through a summer bridge program.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Library Board.

Why are you interested in serving on a City board, commission or committee?

As a classroom teacher, I was able to serve students and their families on a daily basis. It was extremely gratifying. Since leaving the classroom, I have been looking for more ways to serve our city's youth. As an early reader, my mother brought me to our public library every week to check out new books and participate in children's activities. I believe this fostered my life-long love of learning. When I became a mother myself, I also relied on our public library for my own kids. I want to be on a board that will serve this city's diverse youth and encourage them to further their own education.

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.
