Re: Oso Creek Loop Trail Center – Design Intent – ADA Requirements  
South Texas Botanical Garden & Nature Center

Dear Michael,

Per your request, the design intent for the referenced project is inclusive. The design includes a 10' wide nature trail walkway as demonstrated in the construction documents on Sheet L1.0. The design complies with American Disability Act.

ADA certification will follow installation upon the inspection of the completed project.

Gignac Landscape Architecture appreciates the opportunity to be of service to you and The South Texas Botanical Gardens. Should you have any questions or require additional information, please contact me.

Respectfully,

  
Robert Gignac, ASLA, RLA
