Why are you interested in serving on a City board, commission or committee?

My training as a sociologist has exposed me to social science research that shows what factors make people FEEL safe as well as what community-level factors are associated with enhancing people's quality of life. It's also exposed me to the understanding of social factors contributing to deviant behavior, and patterns in behavior that have been criminalized. I believe my training will enable me to constructively contribute to the committee work.

Education, Professional and/or Community Activity (Present)

I am a social work professor and field education director so I have extensive experience with social services and marginalized populations in the Coastal Bend. I have a Masters's Degree in Social Work and am licensed to practice in Texas. I was involved in the Crime Control and Prevention District's original creation and planning. I served for several years as the City's Juvenile Assessment Center (JAC) Superintendent, managing one of the District's main projects and attending and participating in its meetings as staff. In that role, due to the JAC's great success in lowering crime rates in our city, I was a frequent consultant on effective crime prevention to other communities and countries, working closely with the Office of Juvenile Justice and Delinquency Prevention in the U.S. Department of Justice. The success of the JAC under my leadership resulted in Corpus Christi being named an All America City. I am active in community work to defend the civil rights of marginalized citizens. I am Co-Chair of the Texas Field Education Consortium and am an active member in the Coastal Bend Branch of NASW-Texas. I am also a long-time Girl Scout Leader.

Why are you interested in serving on a City board, commission or committee?

I feel I can use my expertise in crime prevention to serve our community.

I answered "yes" to my employer having city contracts because I am not sure if TAMUK has contracts with Corpus Christi or not. I know the university has non-financial affiliation agreements with the city as we do place interns in city departments, but that does not involve money and I am only a faculty member.

Ronald Kanipes

January 10, 2023

Ms. Norma Duran:

I am interested in applying for a position on the Corpus Christi Crime Control and Prevention Board for District 3.

In my current position as Corpus Christi Independent School District's Hearing Officer, I oversee disciplinary actions for the district. This includes reviewing and assigning student removals to the district's disciplinary campus and expulsions to Nueces County JJAEP. I also work closely with the staff at the Nueces County Detention Center and Robert Barnes facilities.

It appears there has been a rise in serious juvenile crime in our city. Many of these crimes are committed using handguns. I would like to research and implement any strategies that may help lessen this alarming trend. If I am assigned to the Crime Control and Prevention Board, I hope to collaborate with the members and make a positive impact for our community.

I have had the rewarding experience of being a CASA court appointed advocate since January 2016 using my experience working with students to support and provide legal advocacy for children in the foster care system. This experience has given me a deeper insight into the juvenile justice system and Nueces County Court at Law 5 which impacts our students placed at the Detention Center and Robert Barnes facilities.

I feel my experience working with the youth of our city provides me with the knowledge and skills to become an outstanding member of the Corpus Christi Crime Control and Prevention Board. Thank you for your consideration.

Sincerely,

Ronald Kanipes

Education, Professional and/or Community Activity (Present)

I moved to Corpus Christi, TX from rural NC in December 2021. I have Associate Degrees in Accounting and Business. My work experience is in the Banking profession in Accounting and Internal Audit. I left full-time employment in 1994 to focus on my family. I worked part-time in the office of a family owned electrical company from 1996-1998. After having another child, I left employment completely. I have experience as a caregiver and guardian to elderly relatives. I am not currently involved in the community.
