

**Corpus Christi Business and Job Development Corporation**

Dear Mr. President:

The Board of Directors of the Corpus Christi Regional EDC voted unanimously to recommend to the Type A Board an incentive of up to \$300,000 for Del Mar College for their Small Business Development Center programs.

**Project Description:**

The College's Small Business Development Center aids small businesses that in turn have a great impact on the economy in Corpus Christi. Due to reduced funding from the state the Center must cut back drastically and reduce services neither of which is acceptable in our recovery from Hurricane Harvey.

Sincerely,

Iain Vasey  
President/CEO
