

Citywide Lift Station Repairs Wooldridge & Morgan Lift Stations

Council Presentation
January 11, 2022

Project Location

Project Scope

- This project identifies, prioritizes, and implements to extend lift station service life.
- Reduce long-term maintenance cost and improve flow.
- Meet Texas Commission on Environmental Quality (TCEQ) guidelines including reducing overflow and redundant systems.
- The rehabilitation of two lift stations which require temporary control of flow pumping.
- Replacement of suction and discharge transfer switches, main electrical disconnects, HVAC, new chain-link fencing, odor control and miscellaneous items of work.
