

Ordinance authorizing license agreements to allow the parking of dockless vehicles in the City's right-of-way with a term ending January 1, 2023 and two automatic one-year renewals upon payment of fees, which license agreements will replace the license agreements approved by Ordinance No. 031652.

Whereas, two companies currently provide dockless scooter services in the City limits under a previous license agreement approved in January of 2019;

Whereas, the costs of managing the dockless vehicle program have decreased;

Whereas, the City wishes to adjust the fees for parking vehicles in the public right-of-way and limit the number of vehicles and the locations in which they may be parked;

Whereas, City staff is moving forward with a procurement process to locate the best providers of this service and further limit the total number of dockless vehicles that may be parked in the City;

Whereas, City staff wishes to implement the recommended changes to the program immediately and then use the same license agreement template for future agreements that are awarded following the procurement process; and

Whereas, the City Council believes that it is in the best interests of the residents of the City to approve new agreements with the current vendors that implement the new fee structure and limitations until such time as the procurement process is completed.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

SECTION 1. The City Manager or designee is authorized to execute licenses with the current vendors, Blue Duck Express, Inc. and Neutron Holdings, Inc., dba Lime, for use of City owned right-of-way to park dockless vehicles that are available to rent within the City in the form attached hereto as **Exhibit A**, which licenses are terminable upon 14 days' notice that the vendor was not one of the vendors selected following the procurement process.

SECTION 2. Following the completion of the procurement process, the City Manager or designee is authorized to execute licenses with the vendors selected under the procurement process for use of City owned right-of-way to park dockless vehicles that are available to rent within the City in the form attached hereto as **Exhibit B**, which licenses are identical to **Exhibit A** except that they do not include the termination following the procurement process.

That the foregoing ordinance was read for the first time and passed to its second reading on this the _____ day of _____, 2022, by the following vote:

Paulette M. Guajardo _____	John Martinez _____
Roland Barrera _____	Ben Molina _____
Gil Hernandez _____	Mike Pusley _____
