Reimbursement Agreement Extension

Private Wealth Group Streetscape Project

Dear Miss Vivanco,

I would like to request an extension of the completion date **March 31st, 2022** in the reimbursement agreement with The Private Wealth Group located at 1102 Santa Fe St.

A significant portion of the project has been completed. The exterior has been painted; landscape has been completed, irrigation system has been up and running. The last portion of our improvements are the security cameras, which will be installed early March and the sign on the front of our building will start the last week of February.

We have ordered our materials for the front entry door but we do not have an ETA, therefore the reason for an extension.

Please let me know if you have any questions regarding my project.

Sincerely,

R. Andrew Flores
