

Ordinance approving the redistricting of the City's single-member City Council districts and establishing new district boundary lines for Corpus Christi City Council elections, based on the 2020 Census data.

WHEREAS, the results of the 2020 federal Census have been considered and indicate that the City of Corpus Christi's single-member City Council districts are sufficiently out of population balance to require redistricting in order to comply with the "one-person, one -vote" equal population principle established by the U.S. Constitution; and

WHEREAS, the City of Corpus Christi (the " City") engaged the law firm of Bickerstaff Heath Delgado Acosta LLP to act as the City's redistricting consultant, including advising and assisting the City Council in preparation of a new redistricting plan in compliance with applicable requirements of state and federal law; and

WHEREAS, on February 8, 2022, the City Council adopted redistricting criteria and guidelines to assist the City and the public in developing redistricting plans which comply with applicable federal and state laws, and the adopted redistricting criteria and guidelines were applied in the development of the City's new redistricting plan; and

WHEREAS, during the redistricting process the City provided notice to the public of its proposed discussions and development of a redistricting plan through meeting agendas posted in compliance with the Texas Open Meetings Act and the City hosted seven public information sessions in locations throughout the City to create opportunities for residents to provide input and submit redistricting plans; and

WHEREAS, the City Council has considered the proposed redistricting plan at two City Council meetings, and has considered oral and written public comments, proposed plans submitted by residents of the City, reports from the City's redistricting consultant, and a proposed plan regarding the appropriate reconfiguration of the council member districts; and

WHEREAS, the City Council finds that the attached city council district redistricting plan is in the best interest of the citizens of the City, complies with the adopted redistricting criteria, and is believed to comply with all state and federal requirements, including the federal Voting Rights Act, the 1983 consent decree of Alonzo v. Jones, and the 1994 order of the Court in Alonzo v. City of Corpus Christi, which created and reviewed the City's five single-member district system in accordance with state and federal law; NOW THEREFORE,
