

# Cunningham Water Treatment Plant Demolition

Council Presentation  
May 24, 2022

# Project Location

# Project Scope

A brief summary of proposed improvements is as follows:

- Demolition and removal of all components, structures, piping, slabs, electrical equipment, etc. to 3 feet below ground unless otherwise noted.
- Identification, documentation, and lawful removal and disposal of hazardous materials.
- Installation of clean fill in demolition areas, site grading, erosion control, and seeding to prepare site for future use.
