SECTION 3. The City election precincts hereby established for the purpose of holding the Special Election and the polling places hereby designated for holding the Special Election in the City election precincts are identified in **Exhibit A** to this Ordinance, and this Exhibit A is hereby incorporated by reference into this Ordinance for all purposes. Nueces County participates in the Countywide Polling Place Program under Section 43.007, as amended, Texas Election Code, meaning that any City voter registered in Nueces County can vote in the Election at any polling place identified in Exhibit A for Nueces County.

The City Secretary or designee, in coordination with the County's election administrator (the *Administrator*) or the designee thereof, as necessary or desirable, will identify and formally approve the appointment of the Presiding Judges, Alternate Presiding Judges, Election Clerks, and all other election officials for the Special Election, together with any other necessary changes to election practices and procedures and can correct, modify, or change the Exhibits to this Ordinance based upon the final locations and times agreed upon by the Administrator, the City, and the Participants to the extent permitted by applicable law.

The Presiding Judge shall appoint not less than two resident qualified voters of the County to act as clerks in order to properly conduct the Special Election. To the extent required by the Election Code or other applicable law, the appointment of these clerks must include a person fluent in the Spanish language to serve as a clerk to render oral aid in the Spanish language to any voter desiring such aid at the polls on Election Day. If the Presiding Judge appointed actually serves, the Alternate Presiding Judge shall serve as one of the clerks. In the absence of the Presiding Judge, the Alternate Presiding Judge shall perform the duties of the Presiding Judge of the election precinct.

On Election Day, the polls shall be open from 7:00 a.m. to 7:00 p.m.

The main early voting location is designated in **Exhibit B** to this Ordinance (which is hereby incorporated herein by reference for all purposes). The individual named as the Early Voting Clerk as designated in Exhibit B is hereby appointed as the Early Voting Clerk to conduct such early voting in the Special Election. The Early Voting Clerk shall appoint the Deputy Early Voting Clerks. This main early voting location shall remain open to permit early voting on the days and at the times as stated in Exhibit B. Early voting shall commence as provided on Exhibit B and continue through the date set forth on Exhibit B, all as provided by the provisions of the Election Code.

Additionally, permanent branch offices for early voting by personal appearance shall be established and maintained in accordance with the Election Code. The locations, dates, and hours of operation for early voting at these offices (being the permanent branch offices) shall be determined by the Administrator, as identified in Exhibit B hereto.

An Early Voting Ballot Board is hereby established for the purpose of processing early voting results. The individual designated in Exhibit B as the Presiding Judge of the Early Voting Ballot Board is hereby appointed the Presiding Judge of the Early Voting Ballot Board. The Presiding Judge shall appoint not less than two resident qualified voters of the County to serve as members of the Early Voting Ballot Board.

SECTION 4. A Direct Recording Electronic (*DRE*) voting machine shall be employed at each of the polling locations utilized for the Special Election in accordance with the Election Code; provided, however, in the event the use of such DRE is not practicable, the Special Election may be conducted on Election Day by the use of paper ballots (except as otherwise provided in this section). DRE or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). Pursuant to Section 61.012 of the Election Code, the City shall provide at least one

accessible voting system in each polling place used in the Special Election. Such voting system shall comply with State and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. Paper ballots, touch screen voting machines, and/or such other legally-permissible voting methods may be used for early voting and Election Day voting by personal appearance. Certain early voting may be conducted by mail.

SECTION 5. The City shall also utilize a Central Counting Station (the *Station*) as provided by Section 127.001, et seq. of the Election Code. The Administrator, or the designee thereof, is hereby appointed as the Manager and Presiding Judge of the Station and may appoint Station clerks and establish a written plan for the orderly operation of the Station in accordance with the provisions of the Election Code. The Council hereby appoints the Administrator, or the designee thereof, as the Tabulation Supervisor and the Administrator, or his designee, as the Programmer for the Station. Lastly, the Administrator will publish notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for the Station in accordance with the provisions of the Election Code.

SECTION 6. In accordance with Section 52.072(c) of the Election Code, the Propositions shall appear on the City's ballot after the listing of offices that are the subject of the General Election.

SECTION 7. All resident qualified voters of the City shall be permitted to vote at the Special Election, and on Election Day, such voters shall vote at the designated polling places. The Special Election shall be held and conducted in accordance with the provisions of the Election Code and Chapters 1251 and 1331, as amended, Texas Government Code (collectively, the *Election Laws*), and as may be required by any other law. All materials and proceedings relating to the Special Election shall be printed in both English and Spanish.

SECTION 8. Notice of election, including a Spanish translation thereof, shall be published on the same day in each of two successive weeks in a newspaper of general circulation in the City; the first of these publications to appear in such newspaper no more than 30 days, and not less than 14 days, prior to Election Day. Moreover, a substantial copy of this Ordinance and the voter information attached as **Exhibit C**, including a Spanish translation thereof, shall be posted (i) at City Hall not less than 21 days prior to Election Day; (ii) at three additional public places within the City not less than 21 days prior to Election Day; (III) in a prominent location at each polling place on Election Day and during early voting; and (iv) in a prominent location on the City's internet website not less than 21 days prior to Election Day. The City Secretary is directed to post and publish such Special Election notices as specified above and as required by the Election Laws.

SECTION 9. As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, the City, as of the date of this Ordinance, had outstanding an aggregate ad valorem tax-supported principal amount of debt equal to \$491,320,000; the aggregate amount of the interest owed on such City debt obligations, through respective maturity, totaled \$143,672,602; and the City levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.219458 per \$100 of taxable assessed valuation. Of the aforementioned City debt, the City considers \$85,733,844 and \$20,307,839 of that principal and interest, respectively, to be self-supporting debt payable from sources other than ad valorem taxes. The City estimates an ad valorem debt service tax rate of \$0.219458 per \$100 of taxable assessed valuation if the bonds that are subject of the Special Election are approved and are issued (taking into account the outstanding City bonds and bonds that are the subject of the Special Election, but not future bond authorizations of the City), though the City projects no tax rate increase for the issuance of bonds that are the subject of this Ordinance. This is only an estimate provided for Texas statutory compliance and does not serve as a cap on any City ad valorem debt service tax rate.

SECTION 10. The Council hereby appoints the City Secretary as the authority and officer responsible for the conduct of the Special Election and is hereby authorized and directed to make all necessary arrangements for the holding of the Special Election in accordance with the Elections Laws, which obligations include (but are not limited to) coordinating the Special Election process and negotiating, entering into, and carrying out the terms and provisions of one or more joint election agreements or contracts with the County and any Participants in accordance with the provisions of the Election Code. To the extent that any duty or obligation of the City, in general, or the City Secretary, in particular, is properly delegated to the County pursuant to a joint election agreement, then the County's carrying out those duties and obligations on the City's behalf pursuant to the terms of such joint election agreement shall be binding upon the City and are hereby determined by the Council to be evidence of the City's compliance with the provisions of the Election Laws relative to the same. By incorporating all essential terms necessary for a joint election agreement, this Ordinance is intended to satisfy Section 271.002(d) of the Election Code, without further action of the City Council. To the extent needed or desirable, the Administrator is hereby appointed joint custodian of voted ballots for the purposes of 31.096 of the Election Code.

In addition, the City Manager and the City Secretary, individually or in concert and as necessary or desired, are hereby authorized and entitled to make such technical modifications to this Ordinance that are necessary for compliance with applicable State or federal law (including the Election Laws) or to carry out the intent of the Council, as evidenced herein.

SECTION 11. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Council.

SECTION 12. All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

SECTION 13. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 14. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 15. It is officially found, determined, and declared that the meeting at which this Ordinance was adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.
