City of Corpus Christi and Sinister Off Road Amendment of Lease Agreement

CAPTION:

Ordinance authorizing an amendment of the current contract with Sinister, LLC for a monthly rent rate of \$100 for the second option year of the city owned property located at 1401 Leopard Street for a parking lot.

SUMMARY:

The purpose of this item is to amend the current contract from a monthly rate of \$300 to \$100 with Sinister Off Road, LLC for use of a parking lot on 1401 Leopard.

BACKGROUND AND FINDINGS:

Sinister Off Road is an automotive, off road, and custom fabrication shop located at 1400 Leopard Street. This lease refers to a City parking lot that has not been in use and is across the street at 1401 Leopard Street. In return, the City will gain revenue and maintenance on a parking lot that has been vacant. The Harbor Bridge construction has caused a major disruption to this automotive shop, making it hard to conduct business, and has reduced their revenues. Sinister has been a great neighbor in taking care of this property and provided additional security around our City Hall Building.

The key points of this amended lease are:

- The first-year rental rate was \$100 per month
- Still two (2) additional one-year periods (option periods)
- \$100 per month rent, on or before the first day of each month for the first-year option; all other remaining options remain at \$300 per month rent
- Sinister will be solely responsible for the costs of surface maintenance, repairs, mowing and grounds maintenance, and all utilities
- The premise will serve as a parking lot only, and for no other purpose
- May not assign this lease or sublet without consent of the City
- Shall not make alterations, additions, or structural changes without prior written consent and approval of the City

- Responsible for the towing of unauthorized vehicles on leased property

ALTERNATIVES:

An alternative would be to not lease the parking lot to Sinister Off Road. However, this will provide an opportunity for the City to gain revenue in addition to maintenance on a parking lot that has been vacant.

FISCAL IMPACT:

A total of \$1,200 will be the annual amount of rent for this agreement for the second-year option.
