Interdepartmental Staff and outside agencies have reviewed and prepared comments for the proposed plat. These comments are intended to be final. All plats must comply with applicable review criteria. All corrected plats must be submitted with a comment resolution (response) letter for staff review. ***The application will be considered void after 180 days if no comments are submitted responding to distributed TRC comments.***

Staff Only/District#: MZ / 1 App Received: 10/11/2022 TRC Meeting Date: 10/20/2022 TRC Comments Sent Date: 10/24/2022 Revisions Received Date (R1): 11/28/2022 Staff Response Date (R1): 12/6/2022 Revisions Received Date (R2): Staff Response Date (R2): Planning Commission Date: 11/25/2023

Major plats, in compliance with review criteria, are recommended for approval to the Planning Commission by the TRC. Development Services staff will determine when the plat is scheduled for Planning Commission. Administrative plats, in compliance with review criteria, are approved by the Director on a rolling basis.

Project: 22PL1163

Thruman's Marine Blk 1 Lot 1 (Final Plat) 1.59 Acres Located south of Saratoga Blvd. and east of Hwy.286

Zoned: IL

Owner: Ryan Thruman Surveyor: Brister Surveying

The applicant proposes to plat the property to plat for building construction.

INFORMATIONAL

Comments noted below apply to the preliminary site/utility/transportation plan and preliminary storm water quality management plan (SWQMP) as observations for information only.

These comments should be considered during subsequent site and public infrastructure development but may be required as a condition for plat consideration by the Planning Commission for approval.

Additional comments may be issued with the subsequent submittal plans associated with the property development. LAND DEVELOPMENT
