In protecting public safety, the chief may refuse to grant a permit, or may grant a permit limiting the vending to particular areas, limiting the items to be sold or rented, limiting the time for vending, or imposing other restrictions. In making his determination the chief shall consider, based upon past parade experience and law enforcement experience, the potential for interference with traffic; misuse of items to be sold or rented; physical injury; interference with parade participants, parade watchers, police officers and others; and other effects detrimental to safety.

b. Vendors shall comply with all pertinent restrictions and regulations applicable to sidewalk vendors under subsection (a) of this section.
