Commission on Children and Youth Amendment to membership
--

**CAPTION:**

Ordinance amending the Code of Ordinances regarding membership of Corpus Christi Commission on Children and Youth.

**PURPOSE:**

The purpose of this amendment is to change the structure of the Commission on Children and Youth from fourteen (14) members to nine (9) members.

**BACKGROUND AND FINDINGS:**

The Commission on Children and Youth was established in 1994 and initially seated fourteen members of the community. The make-up of the commission included representatives from the law enforcement, legal, educational and social services communities. The current CCY has reviewed the original ordinance and made suggestions for combining seats that are redundant and creating a smaller, more dynamic council that can adequately address health and fitness issues in the community in a timely manner.
