<p>McArdle Road Speed Limit Ordinance Amendment</p>

CAPTION:

Ordinance amending Section 53-254 of the code of ordinances to rectify the existing speed limit for McArdle Road between Weber Road and Nile Drive; at all times, providing for penalties; providing for severance, and providing for publication.

PURPOSE:

To amend the current language in the ordinance to correspond with the appropriate beginning of the speed limit.

BACKGROUND AND FINDINGS:

There is a discrepancy in the ordinance and the current stated speed limit on McArdle Road. The ordinance reads, "from a point 500 feet east of Lenora Drive to Nile Drive-35MPH at all times" Lenora Drive is not a named city street along McArdle Road. This was approved by the Transportation Advisory Committee (TAC) on December 17, 2012.
