--

CAPTION:

Ordinance authorizing the City Manager, or his designee, to execute all documents necessary to accept and appropriate a six month grant extension amendment in the amount of \$464,069 from the Texas Department of State Health Services (DSHS) in the Health Grant Fund No. 1066, to provide funds for the Women, Infants, and Children (WIC) program for the extended contract period of April 1, 2013 thru September 30, 2013; and to ratify acceptance of the grant extension amendment to begin as of February 26, 2013.

PURPOSE:

The WIC's Grant amendment allows the Health District division to educate and help improve the diets of infants, children, and pregnant, postpartum, and breastfeeding women who are eligible for the program through low income and nutrition-related risks.

BACKGROUND AND FINDINGS:

The special supplemental nutrition program for WIC is a health and nutrition program that improves the diets of infants, children, and pregnant, postpartum, and breastfeeding women who are eligible for the program through low income and nutrition-related risks. This item approves an amendment extending the contract with the DSHS to provide services at the Corpus Christi-Nueces County Public Health District (CCNCPHD) to over 5,000 low income clients per month. The term of the initial contract was 10/01/12 thru 3/31/13 but with the approval of a 6 month extension, the contract term will now be from 10/01/2012 through 09/30/2013, with an increase in funding in the amount of \$464,069, changing the total amount of funding from \$442,380.00 to \$906,449.00.
