

AN ORDINANCE

ANNEXING SEVEN TRACTS OF LAND LOCATED IN INDUSTRIAL DISTRICT NO. 1; PROVIDING FOR A MUNICIPAL SERVICES PLAN FOR THE ANNEXED TRACTS OF LAND; PROVIDING THAT THE OWNERS AND INHABITANTS ARE ENTITLED TO ALL RIGHTS, PRIVILEGES, AND BURDENS OF OTHER CITIZENS AND PROPERTY OWNERS OF THE CITY OF CORPUS CHRISTI AND ARE SUBJECT TO AND BOUND BY THE CITY CHARTER, ORDINANCES, RESOLUTIONS, AND RULES; PROVIDING FOR AMENDMENT OF THE OFFICIAL MAPS OF THE CITY OF CORPUS CHRISTI; DESIGNATING AREA TO BE ADDED TO CITY COUNCIL DISTRICT NUMBER 1; PROVIDING FOR SEVERANCE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Corpus Christi desires to annex land, located in Industrial District No. 1, where the property owners have not executed an Industrial District Agreement with the City;

WHEREAS, on August 25th and September 9th, 2015, public hearings were held by the City Council, during City Council meetings held in the Council Chambers, at City Hall, in the City of Corpus Christi, following publication of notice of the hearings in a newspaper of general circulation in the City of Corpus Christi, for the consideration of annexation proceedings and the service plan for the defined lands and territory, during which all persons interested in the annexations were allowed to appear and be heard;

WHEREAS, a service plan for the area proposed to be annexed was made available for public inspection, including on the City's website on August 24, 2014 and made available for public discussion at public hearings on August 25th and September 9, 2015;

WHEREAS, it has been determined by the City Council that the territory now proposed to be annexed lies wholly within the extraterritorial jurisdiction of the City of Corpus Christi;

WHEREAS, it has been determined by the City Council that the territory now proposed to be annexed abuts and is contiguous and adjacent to the City of Corpus Christi or properties in Industrial District No. 1 that have signed an Agreement and are considered as making the properties being annexed contiguous and adjacent under the law;

WHEREAS, it has been determined by the City Council that the territory now proposed to be annexed constitutes lands and territories subject to annexation as provided by the City Charter of the City of Corpus Christi and the laws of the State of Texas;

WHEREAS, this annexation will leave out property where the property owner has signed a Development Agreement with the City of Corpus Christi as per Local Government Code Chapter 43; and

WHEREAS, it has been determined that it would be advantageous to the City and to its citizens and in the public interest to annex the lands and territory hereinafter described.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

SECTION 1. The City Council finds that annexing seven tracts of land in Industrial District No. 1, where the owners of the tracts of land have declined to enter into an Industrial District Agreement with the City of Corpus Christi, is in the public interest.

SECTION 2. That the seven tracts of land consisting of 4.08 acres of land, more or less, out of Industrial District No. 1, and located between Nueces Bay and IH-37 and between Carbon Plant Road and Corpus Christi Bay, are annexed to, brought within the corporate limits, and made an integral part of the City of Corpus Christi. The seven tracts of land are described by metes and bounds and a map for each tract are in the Municipal Services Plan attached to this ordinance.

SECTION 3. That there is approved, as part of this annexation ordinance, a Municipal Service Plan. The Service Plan, attached to this ordinance, is incorporated into and made a part of this ordinance. The service plan provides for the same number of services and levels of service for the annexed area and to the same extent that such services are in existence in the area annexed immediately preceding the date of annexation or that are otherwise available in other parts of the city with land uses and population densities similar to those contemplated or projected in the area annexed.

SECTION 4. That the owners and inhabitants of the tracts or parcels of land annexed by this ordinance are entitled to all the rights, privileges, and burdens of other citizens and property owners of the City of Corpus Christi, and are subject to and bound by the City Charter of the City of Corpus Christi, and the ordinances, resolutions, motions, laws, rules and regulations of the City of Corpus Christi and to all intents and purposes as the present owners and inhabitants of the City of Corpus Christi are subject.

SECTION 5. That the official map and boundaries of the City and its extraterritorial jurisdiction, previously adopted and amended, are amended to include the territories described in this ordinance as part of the City of Corpus Christi, Texas and as required by the City's Unified Development Code section 4.1.5 Newly Annexed Territory, the area shall be designated with an initial "FR" Farm and Rural District.

SECTION 6. That the City Manager or his designee is directed and authorized to perform or cause to be performed all acts necessary to correct the official map of the City and its extra territorial jurisdiction to add the territory annexed as required by law.

SECTION 7. That the territory annexed to the city shall be added to City Council District No. 1;

SECTION 8. If for any reason any section, paragraph, subdivision, clause, phrase, word or provision of the ordinance shall be held invalid or unconstitutional by final judgment of a court of competent jurisdiction, it shall not affect any other section, paragraph, subdivision, clause, phrase, word or provision of this ordinance for it is the definite intent of this City Council that every section, paragraph, subdivision, clause, phrase, word or provision hereof be given full force and effect for its purpose.

SECTION 9. This ordinance goes into effect at ____ a.m., ____, 2015.

That the foregoing ordinance was read for the first time and passed to its second reading on this the _____ day of _____, _____, by the following vote:

Nelda Martinez	_____	Brian Rosas	_____

MUNICIPAL SERVICES PLAN FOR THE INDUSTRIAL DISTRICT NO. 1 TRACTS

INTRODUCTION

This Municipal Services Plan ("Plan") is made by the City of Corpus Christi, Texas pursuant to Section 43.056 of the Texas Local Government Code. This Plan relates to the annexation of approximately 4.08 acres of land generally located in Industrial District No. 1, located between the south shores of Nueces Bay and IH-37 and Carbon Plant Road and Corpus Christi Bay. Exhibit A, attached to this Plan contains a metes and bounds description and a map of each of the tracts. This plan will be attached to the ordinance annexing the Industrial District No. 1 Tracts.

The proposed annexation of the Industrial District No. 1 Tracts will follow all of the requirements contained in the Texas Local Government Code Chapter 43 required for annexation, including but not limited to, requirements for public notice and public hearings. In addition, this proposed annexation satisfies Chapter 43, Section 43.052.h, that exempts an area or areas proposed for annexation from the requirement that an area to be annexed must first be included in the City's Annexation Plan for three years prior to adoption of an annexation ordinance. Section h. specifies that if an area contains less than 100 residential units on separate tracts, then the area to be annexed is "exempt" from the plan requirement. Based on a land use analysis and appraisal district records for the area there are no dwellings on any of the tracts proposed for annexation. Therefore, the tracts of land proposed for annexation are "exempt" from the annexation plan requirement.

EFFECTIVE TERM

This Plan shall be in effect for a ten-year period commencing on the effective date of the annexation, unless otherwise stated in this Plan. Renewal of the Plan shall be at the option of the City. A renewal of this Plan may be exercised by the City Council provided the renewal is adopted by ordinance and specifically renews this Plan for a stated period of time.

INTENT

The City Council of the City of Corpus Christi, Texas, finds and determines that this Plan will not provide any fewer services or a lower level of services in the annexation areas than were in existence in the annexation areas at the time immediately preceding the annexation process. The service plan will provide the annexed areas with a level of service, infrastructure, and infrastructure maintenance that is comparable to the level of service, infrastructure, and infrastructure maintenance available in other parts of the municipality with topography, land use, and population density similar to those reasonably contemplated or projected in the areas.

The City reserves the right guaranteed to it by the Texas Local Government Code to amend this Plan if the City Council determines that changed conditions or subsequent occurrences or any other legally sufficient circumstances exist under the Local Government Code or other Texas laws to make this Plan unworkable or obsolete or unlawful.

SERVICE ELEMENTS

- 1. General Municipal Services.** The subject properties are located within the City's extraterritorial jurisdiction and are more particularly described in the Ordinance to which this service plan is attached. Pursuant to this Plan, the following services shall be provided immediately from the effective date of the annexation:

- a. Police protection as follows:**

- Routine patrols of areas, radio response to calls for police service and all other police services now being offered to the citizens of the City at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density.

- b. Fire Protection Services as follows:**

- Fire protection by the present personnel and equipment of the City fire fighting force with the limitations of water available at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density.

- c. Emergency Medical Services as follows:**

- Radio response for Emergency Medical Services with the present personnel and equipment at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density.

- d. Solid waste collection services as follows:**

- Solid waste collection and services as now being offered to the citizens of the City at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density.

- e. Operation and Maintenance of Water and Wastewater Facilities**

- Water and wastewater service will be provided in accordance with the Corpus Christi Code of Ordinances, Utility Department Policies and engineering standards at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density and provided the service is not within the certificated service area of another utility through existing facilities located within or adjacent to the area. Any and all water or wastewater facilities owned or maintained by the City of Corpus Christi, Texas, at the time of the proposed annexation shall continue to be maintained by the City of Corpus Christi, Texas. Any and all water or wastewater facilities that may be the property of another municipality or other entity shall not be maintained by the City of Corpus Christi unless the facilities are dedicated to and accepted by the City of Corpus Christi.

On-site sewage facilities may be allowed contingent upon the property owner meeting all city, county, state and federal requirements.

f. Operation and Maintenance of Roads and Streets, including Street Lighting

No public streets are proposed for annexation, however the City will maintain public streets over which the City has jurisdiction at the same level of service now being provided to other areas of the City of Corpus Christi, Texas, with similar topography, land use and population density. Any and all roads, streets or alleyways which are dedicated to and accepted by the City of Corpus Christi, Texas, or which are owned by the City of Corpus Christi, Texas, shall be maintained to the same degree and extent that other roads, streets and alleyways are maintained in the City. Any and all lighting of roads, streets and alleyways which may be positioned in a right-of-way, roadway or utility company easement shall be maintained by the applicable utility company servicing the City of Corpus Christi, Texas, pursuant to the rules, regulations and fees of the utility.

Street Department services include:

- Emergency pavement repair;
- Maintenance of public streets; and
- Traffic Engineering.

Following annexation, public streets for which the city has jurisdiction will be included in the City's preventive maintenance program. Preventive maintenance projects are prioritized on a Citywide basis and scheduled based on a variety of factors, including pavement roughness, rideability, age, traffic volume, functional class, and available funding. Any necessary rehabilitation or reconstruction will be considered on a citywide priority basis.

The Traffic Engineering Division of the Street Department will also provide regulatory signage services in the annexation area. All regulatory signs and signals are installed when warranted following an engineering study. All roadways are re-stripped and remarked and signage replaced as needed.

Immediately following annexation, all properties will be subject to the City's monthly street fee program. The street fee is a monthly fee which is collected from Corpus Christi residents and business owners and which appears on their monthly utility bills.

g. Operation and Maintenance of Parks, Playgrounds and Swimming Pools

Any park that may be under the responsibility of the County will be maintained by the City only upon dedication of the park by the County to the City and acceptance of the park by the City Council. At this time there are no public recreational facilities in the annexation area including parks, playgrounds, and swimming pools.

h. Operation and Maintenance of any other Publicly-Owned Facility, Building, or Service.

At this time there are no such other publicly owned facilities. If the City acquires any facilities and buildings within the annexation area, a City department will provide maintenance services at the same level of service now being provided to other areas of the City with similar topography, land use and population density.

i. **Other Services.**

All other City Departments with jurisdiction in the area will provide services according to City policy and procedure.

2. **CAPITAL IMPROVEMENTS PROGRAM**

The City will initiate the construction of capital improvements for providing municipal services for the annexation area as necessary.

Each component of the Capital Improvement Program is subject to the City providing the related service directly. In the event that the related service is provided through a contract service provider, the capital improvement may not be constructed or acquired by the City but may be provided by the contract provider. The City may also lease buildings in lieu of construction of any necessary buildings.

- a. **Police Protection.** No capital improvements are necessary at this time to provide police services.
- b. **Fire Protection.** No capital improvements are necessary at this time to provide fire services.
- c. **Emergency Medical Service.** No capital improvements are necessary at this time to provide EMS services.
- d. **Solid Waste Collection.** No capital improvements are necessary at this time to provide solid waste collection services.
- e. **Water and Wastewater Facilities.** The annexation area will be included with all other areas of the city in the City's Capital Improvements Program.

Water and wastewater services to new development and subdivisions will be provided according to the Corpus Christi Code of Ordinances, Corpus Christi Unified Development Code and the Water and Wastewater Department standards, which may require the developer of a new subdivision or site plan to install water and wastewater lines.

- f. **Roads and Streets.** No road or street related capital improvements are necessary at this time. In general, the City will acquire control of all public roads and public streets within the annexation area upon annexation. Future extensions of roads or streets and future installation of related facilities, such as traffic control devices, will be governed by the City's standard policies and procedures.
- g. **Parks, Playgrounds and Swimming Pools.** No capital improvements are necessary at this time to provide services.
- h. **Street Lighting.** No capital improvements are necessary at this time to provide services. Street lighting in new and existing subdivisions will be installed and maintained in accordance with the applicable standard policies and procedures.

- i. **Other Publicly Owned Facilities, Building or Services: Additional Services.** In general, other City functions and services, and the additional services described above can be provided for the annexation area by using existing capital improvements. Additional capital improvements are not necessary to provide City services.
- j. **Capital Improvements Planning.** The annexation area will be included with other territory in connection with the planning for new or expanded facilities, functions, and services as part of the City's Capital Improvement Plan.

AMENDMENT: GOVERNING LAW

This Plan may not be amended or repealed except as provided by the Texas Local Government Code or other controlling law. Neither changes in the methods or means of implementing any part of the service programs nor changes in the responsibilities of the various departments of the City shall constitute amendments to this Plan, and the City reserves the right to make such changes. This Plan is subject to and shall be interpreted in accordance with the Constitution and laws of the United States of America and the State of Texas, the Texas Local Government Code, and the orders, rules and regulations of governmental bodies and officers having jurisdiction.

FORCE MAJEURE

In case of an emergency, such as force majeure as that term is defined in this Plan, in which the City is forced to temporarily divert its personnel and resources away from the annexation area for humanitarian purposes or protection of the general public, the City obligates itself to take all reasonable measures to restore services to the annexation area of the level described in this Plan as soon as possible. Force Majeure shall include, but not be limited to, acts of God, acts of the public enemy, war, blockages, insurrection, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrest and restraint of government, explosions, collisions and other inability of the City, whether similar to those enumerated or otherwise, which is not within the control of the City. Unavailability or shortage of funds shall not constitute Force Majeure for purposes of this Plan.

SPECIFIC FINDINGS

The City of Corpus Christi will provide services to the newly annexed area in a manner that is similar in type, kind, quantity, and quality of service presently enjoyed by the citizens of the City of Corpus Christi, Texas, who reside in areas of similar topography, land utilization and population density.

EXHIBIT A
METES AND BOUNDS
INDUSTRIAL DISTRICT NO. 1 TRACTS

Seven tracts of land encompassing approximately 4.08 acres out of Industrial District No. 1, generally located between the south shore of Nueces Bay and IH-37 and between Carbon Plant Road and Corpus Christi Bay and more particularly described as follows save and except a portion of the property described in Exhibit B and attached herein in accordance with City Council approved Development Agreements per Local Government Code 43.035:

Tract 1: ABTEX Brinkerhoff Oil Co.

THENCE North 58 Degrees 53' 15" West to the PLACE OF BEGINNING and containing 0.25 acres land, more or less, and being a portion of the same land conveyed by Johanna Kosar Foundation, Inc. to Humble Pipe Line Company, in Deed dated the 14th day of September, 1967, and recorded in Deed Volume 1234, at Page 484, in the Deed Records of Nueces County, Texas.

Exhibit B

Property Owner Signed and City Council Adopted Development Agreements

Per Local Government Code 43.035

Currently there are no signed development agreements and none of properties proposed for annexation currently qualify for a development agreement.

To qualify for a development agreement a property must be appraised by the Nueces County Appraisal District as agricultural, timber land or wild life management exempt property.
