

Resolution supporting the Corpus Christi Downtown Management District submission of an application to host the 2017 Texas Downtown Association Conference

Whereas, the Texas Downtown Association is a non-profit member organization representing the interests of over 400 members dedicated to downtown and commercial district revitalization in Texas;

Whereas, annually, the Texas Downtown Association produces a conference in partnership with the Texas Main Street Program which has approximately 250-300 professionals and volunteers attend, including downtown, district and Main Street Program managers, city managers, and elected officials, economic development specialist, Chambers of Commerce and district association representatives, city planners, as well as business owners;

Whereas, the Texas Downtown Association conference is the only statewide conference in Texas dedicated to downtown and commercial district development and revitalization;

Now, therefore, be it resolved by the City Council for the City of Corpus Christi, Texas:

Section 1. Being in the public interest of the City of Corpus Christi to support the development and diversification of the economy of this City as will be accomplished by hosting the Texas Downtown Association conference, the City of Corpus Christi supports the application of the Corpus Christi Downtown Management District to host the 2017 Texas Downtown Association conference on November 7-10, 2017.
