DETAILS

COMPOSITION

Board of Directors consist of eleven (11) members - five (5) appointed by the City Council; three (3) appointed by Nueces County Commissioners Court; two (2) appointed by the Mayors of Cities in the Transit Authority other than Corpus Christi, and the Chairman who is appointed by the Board. The principal municipality shall make its appointments to the board so that at least one of the appointees is designated to represent the interests of the transportation disadvantaged. The statute does not mandate that this Board member be transportation disadvantaged. If the Chairman is from the membership, the entity that appointed that person will appoint a replacement. Terms shall be for two years; members may serve up to eight consecutive years as stated by State Law. The State Sunset Committee suggests that the appointing bodies should consider the appointment of a regular rider of the transit system. A member of the board must be a qualified voter residing in the authority.

CREATION / AUTHORITY

Ordinance No. 18285 in accordance with Article 1118x, V.A.C.S. Approved by electors in the cities of Corpus Christi, Agua Dulce, Driscoll, Gregory, Robstown, San Patricio, and in Nueces County on August 10, 1985. Resolution No. 20363-Amended terms to two years and set an eight-year service limitation for members; House Bill 1621.

MEETS

1st Wednesday, 8:30 a.m., RTA Administration/Operations Facility, 5658 Bear Lane

I worked in the Compressor Shop as an Aircraft Mechanic Helper. I worked on the T53, 755, and T63 engine compressors. I worked on the disassembly and assembly of the bearing pack housing. I made minor repairs of some compressor assemblies. I cleaned parts, reworked the wheel assemblies and the impellers used to assemble compressors. I Flow Test the T55, L11 and the L110 number 2 bearing packages. I overhauled the bearing pack housing. In overhauling the bearing packages, I used 3 types of micrometers for precision measuring. I also used Dial Indicators to measure the wear on the A700 and the A720 couplers. I used the Intro micrometer to measure A area of the rear diffuser. Outside and Depth Micrometers for the Bearing Housing and the Travel Micrometer to measure the wing spread on the compressor rotors. I inspected parts for damage after disassembly. Either I would RED TAG or turned it over to Quality Assurance Inspector for approval.

I worked in Rotating Electric Shop first as a Electrical Equipment Repairer Helper. I did disassembly, cleaning, repair, reassembly, and testing of electrical and mechanical equipment. The equipment mostly involved were motors, generators, external lights, inverters, actuators, fuel booster pumps.

I overhauled a wide range of aircraft electrical components of all aircrafts repaired at CCAD

I overhauled all aircraft line electrical components

I overhauled aircraft generators

I overhauled actuators

I overhauled fuel probes

I overhauled a variety of compressors

I overhauled compressor sections

I also worked with a variety of specialized tools used in the aircraft mechanic profession.

I frequently used a variety of aircraft mechanical air tools

I used torque wrenches in the overhaul process

Other measurement tools that I used were micrometers and calipers

I worked with Land Lights and Search Lights

I also worked with specialized weighing tool for compressor blades

To Whom It May Concern:

Mr. Donnie Contreras was employed at Coastal Bend College as a kinesiology instructor from August 1988 to May 2007. In this capacity, Donnie was responsible for teaching many different kinesiology courses while also directing the college's intramural program. Additionally, during his tenure Donnie was named as Department Chair of this division and he performed his duties to a remarkable degree of excellence.

In my earlier experience, I had the opportunity to interview and recommend Mr. Contreras for employment at Coastal Bend College. We worked very closely together until 2005 when I left Coastal Bend College for my current position at New Mexico Junior College. During our time together, I found Donnie to be a wonderful teacher and a great asset to our college. He maintained a tremendous rapport with his students and his student evaluations continually demonstrated a high level of excellence. Additionally, Donnie freely accepted additional responsibilities and performed these duties very well.

Mr. Contreras left Coastal Bend College due to a reduction in workforce brought about by budgetary shortfalls. In my opinion, Donnie will perform his responsibilities at your organization at a very high level of expertise and I highly recommend him for employment.

Sincerely,

John B. Gratton

To Whom It May Concern:

RE: Donaciano Contreras

This letter concerns Donaciano Contreras. Mr. Contreras was previously employed with Coastal Bend College from August 1988 to May 2007. He served as a Kinesiology Instructor for many years. In this position, he was responsible for teaching and mentoring students on the aspects of Kinesiology and physical education. He also assumed many other duties and responsibilities, such as being the Kinesiology Department Chair and being involved in extramural sports, in particular coaching basketball.

Mr. Contreras' contract was non-renewed as part of a reduction in workforce due to budgetary constraints. At all times his evaluations were very good to excellent. During his employment, Mr. Contreras consistently demonstrated a willingness to work diligently on behalf of the College and an ability to function independently on complex tasks.

Coastal Bend College wishes Mr. Contreras success in his future endeavors. If your organization is seeking an individual with his qualifications and abilities, it should consider Mr. Contreras to fill such a position.

Sincerely,

To Whom it May Concern:

RE: Donaciano Contreras

This letter is in regard to Donaciano Contreras. Mr. Contreras was employed with Coastal Bend College from 1988 to 2007, I would like to express that Donaciano (Donnie) and I have been close friends since then. Donaciano was the Kinesiology Instructor for all these years. He was responsible for teaching, mentoring and advising majors on all facets of Kinesiology and physical education. As an instructor he had other responsibilities and duties, which included being the Department Chair for Kinesiology. He coached basketball and was involved in the scheduling and execution of the extramural sports, was very well liked by his peers and students.

Coastal Bend College had a budget shortfall a couple of years ago, in which Mr. Contreras' department was downsized, and unfortunately Mr. Contreras' contract was non-renewed. He always demonstrated professionalism, willingness to work countless hours for his department and helping other departments as well. While at Coastal Bend College he attended leadership and grant writing seminars to improve quality instruction and expansion of his department and of the college. He was involved with the Bee County Leadership council and numerous citywide youth sports organization.

I believe that your organization would benefit tremendously with Mr. Contreras' knowledge, abilities and qualifications. I highly recommend Mr. Contreras.

Sincerely,

Juan (Johnny) Moreno
Division Chair, Industrial Division/Welding Instr.

City Council
City of Corpus Christi,
Corpus Christi, TX

Dear Council Members,

This letter is to express my interest in the RTA Board Members Position that has recently been posted with the unexpected resignation of Mr. Tony Elizondo. I have worked many hours throughout the years on 2 city committees. I have a working experience and years of knowledge of working with the RTA.

I was on the original committee that explored throughout the USA for the perfect Transportation System. Many long months of ongoing research by this committee drove us to write a proposal while approaching every voter to vote for the plan, now known as the Regional Transportation Authority in Corpus Christi. With voter approval, now RTA has been a Transportation system that serves every citizen in Nueces County as well as the outlying counties and communities. I also currently serve on other city committee's such as the Regional Transport Authority RCAT and The Corpus Christi People's With Disabilities Committee. I serve on

I have worked for Coastal Bend College as a College Professor, the Corpus Christi Army Depot as a Air Craft Mechanic and with The Department of Assistive and Rehabilitation Services for the State of Texas as a Vocation Rehabilitation Counselor. My resume, highlights my abilities in the Higher Education Experience with an emphasis in education, classroom Instruction, as a tenured Division Chairman and lastly an Independent living counselor for the State.

Thank you in advance for your time.

Sincerely,

Donnie B. Contreras

John Garcia

John Garcia has been active in the hospitality industry for 19 years. Born and raised in Corpus Christi, Garcia's first opportunity arose when he started at the Ramada Inn Bayfront & Conference Center in 1997. This experience adds supplemental familiarity with conventions sales, hospitality, and strong community involvement. During his first 6 years at the Ramada Inn, he became a member of numerous organizations: Corpus Christi Chamber of Commerce (Ambassador), Corpus Christi Hispanic Chamber (Embajador), Hospitality Sales Marketing Association (Vice President, 2004) (HSMA Member of the Year 2004), and Harbor Lights Festival (Committee member) Dress for Success Volunteer, Transportation Advisory Committee Board member, NAACP Banquet Committee member, Corpus Christi Greater Hospitality Association member, Girl Scouts of South Texas, Westside Business Association member and the Corpus Christi Transportation Advisory Board.

John also accomplished a graduate, certification course from the prestigious Dale Carnegie. Garcia's experience as Sales Manager gave him an opportunity to advance in the hotel industry. In June 2003, he became Director of Sales & Marketing at the Ramada Limited Airport Hotel on McBride Lane and Interstate 37. In April 2005 an opportunity arose at the Corpus Christi Convention Visitor Bureau as Destination Sales Manager for the sports & Mexico market for the city. Is currently Director of Sales for a couple hotels in the greater Corpus Christi area. John holds a great appreciation for the power of community, and his continued involvement and support is evident in his work performance

Objective

My objective is to obtain employment in my area of expertise, transportation. For the past twenty-seven years I have worked in the professional transportation field in some capacity. From my start as a bus operator for Pharr-San Juan-Alamo I.S.D. to my time as the General Manager of MV Transportation in Corpus Christi, TX, I have had the opportunity to learn most facets of the transportation field. I have become familiar with, among other aspects, route logistics, safety protocols, and budget management. I have also continued to refine my driving skills since driving was my first passion and has since become a lasting one. Most importantly, I have experience in both managerial and non-managerial positions, which has given me unique insight into both sides of transportation. I have learned, in other words, to balance the interests of my employer with those of my employees, which leads to a fair, efficient, and productive workplace.

Skills

I am proficient in Microsoft Word, PowerPoint, and Excel. I also have excellent interpersonal skills, as I have been in a management/supervisor position for twenty years. Over that time, I have developed the communication skills necessary to effectively resolve conflicts, deliver company initiatives, and train employees. I have also developed the skills of multitasking and prioritizing, as I have consistently managed multiple projects/departments at once.

In 2006, Carlos Vargas joined MV Transportation after nearly 19 years of experience in the field. In his second year of working with MV Transportation, he received the award of “New General Manager of the Year” for 2008. He manages the budget for the corporation, supervises a team of 80 employees, and oversees customer care.

Before coming to MV, he spent thirteen years with the Pharr-San Juan-Alamo ISD; seven years as a bus operator and six years as a dispatcher/supervisor. In January 2001, he became the Director of Transportation for McAllen ISD.

Carlos has received numerous certifications and training within the transportation field. A most recent certification was received at MV University General Manager training. Other certifications include Texas A&M Engineering Extension Service Instructor, Texas DPS Accident Investigator, Texas DPS Child Restraint, and Texas Association for Pupil Transportation Instructor. In addition, he is a certified instructor for wheelchair securement. While employed with McAllen ISD, he attended education logistics training for school bus routing in Las Vegas, Nevada. He also attended United States Homeland Security Weapons of Mass Destruction training in Austin, Texas.

Carlos is also active within the community of Corpus Christi. He currently serves as board member with Corpus Christi Hispanic Chamber of Commerce, member of Corpus Christi Chamber of Commerce, committee member with Corpus Christ Committee For Persons With Disabilities, active volunteer with Big-Brothers Big-Sisters of South Texas, active volunteer with Flour Bluff Special Olympic and volunteers with Antonio Art Garcia Center annual Navidad Del Los Nino’s Christmas event in which he provides music during the Christmas toy drive giveaway.

Originally, from Pharr, Texas, Carlos now works in Corpus Christi, Texas, with his wife Graciela, a teacher with CCISD. His daughter Sara Eloisa graduated in May 2008 from TAMUK as an Electrical Engineer and currently works for Sam’s Club Corporate office in Rogers, Arkansas. In May-2010, his son Carlos Emmanuel graduated from TAMUCC with a degree in Biochemistry and currently attends Pacific Northwest University of Health Science in Yakima, Washington.

An important aspect of his life includes his family and friends, but of great importance, his wife. He also enjoys fishing, cooking, and his favorite barbecuing where he was awarded 1st place in the “2002-Backyard Chef” contest.
