Project Scope

This project is part of a Texas Department of Transportation (TxDOT) Highway Safety Improvement Program (HSIP) for which the City received a \$5.7 Million grant.

- HSIP projects specifically target public transportation safety
- Grant provides a 90/10 participation by State/City (construction only)
- City is responsible for design, right of way, construction admin, etc.
- TxDOT advertises and awards the project
- An Advanced Funding Agreement will be presented to City Council after design phase is complete
- Project includes 11 locations City-wide and are coordinated with other City Bond programmed street improvement projects

Project Schedule
