# Project Scope

This is part of the “Light Up CC” to improve lighting for better public safety and reduced crime for areas of Downtown, Uptown, Sea District and North Beach.

- Funding is from the Parking Improvement Fund
- 47 light fixture upgrades will be completed by AEP as follows:
  - ✓ Retrofit of 17 existing fixtures with new LED fixtures
  - ✓ 3 new LED light fixtures on existing wood poles
  - ✓ 4 new wood poles with new LED light fixtures
  - ✓ 21 new concrete poles with new LED light fixtures
  - ✓ 2 new flood lights for safety on an existing pole

A previous Light Up CC project on Leopard from Crosstown to Upper Broadway is near completion for 26 new or retrofitted LED fixtures.
