BACKGROUND:

On March 8, 2016, the City Council passed Ordinance No. 030788 which defined regulations for Transportation Network Companies to operate in Corpus Christi. Upon consultation with the City Manager, the City Secretary did not publish Ordinance No. 030788 and as a result it has not yet become effective. On March 29, 2016, City Council voted to reconsider Ordinance No. 030788 directing the City Manager to bring Ordinance No. 030788 back without the inclusion of biometric fingerprint background checks to Council along with the City's current vehicles for hire ordinance within 30 to 60 days.
