Location Map

Project Scope

Provides for a Base Bid with one Additive Alternative as follows:

BASE BID:

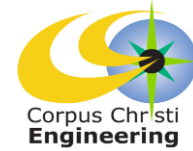

- Milling and a new 1.5" HMAC overlay (approximately 2000LF)
- Select full depth repairs
- New pavement markings
- Minor storm water enhancements for roadside swales
- Minor water & wastewater improvements for future development
- Replacement of the existing overhead directional signage for inbound traffic to the airport

ADDITIVE ALTERNATIVE NO. 1:

- New overhead directional signage for traffic existing onto Hwy 44 to Robstown and Corpus Christi for Hwy 37 and Hwy 69
